Stand forth valiant soldiers

Firm in the work of God

We can outride all storms

Of life in this pure abode

We'll wield well our gospel weapons

Per our foes shout vict'ry

Then rise high freedom's banner

Cloth our souls with Liberty

Most lovely new jerusalem

In thee I find Eternal Life

Solid joys and lasting home

Above earths vain delusive strife

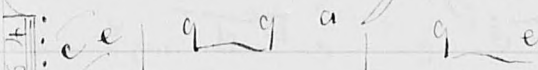

Here the shepherds gentle voice

Callets the wandering and wear

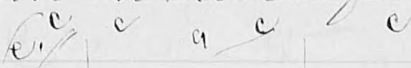

Gathereth all the Lambs of His choice

To pasters pure and Holy

Soil on never flinching

Soil on never fear

Tho' the night may seem dreary

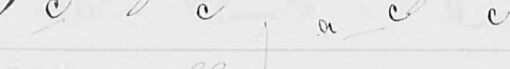

Yet bright morning will appear

Soil on in the cause of truth

Your faith to defend

And rely on the power of God

Which proves a true Friend

Come let us go where the sweet
 waters flow, In that beautiful
 vale, where the glorious sun shines
 never will fail, And the heart
 can rejoice, Where the music
 of angels will float in sweet
 melodious notes, Where peace
 is the banner that waves to the
 breeze & proclaims, here is love

Holy Angels are near

Clothed with power and might

And they wave in their hands

A banner of light

As they hear their earnest call

For a further increase

To drink at the fountain

O how thankful we feel for our holy

calling, With the true and the faithful
we will ever be advancing, We are march-

ing on with our banner unfurled
Our motto forever we will overcome

the world. We are bound to possess
the holy promised land, With joy we will

join the angelic band, We will all
meet together on that peaceful happy shore

Where sorrow & parting will be known no more,

In songs of love, in prayer & praise

To thee my Father my voice I will raise

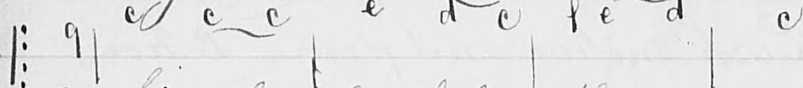

For thy goodness to me so unworthy to share

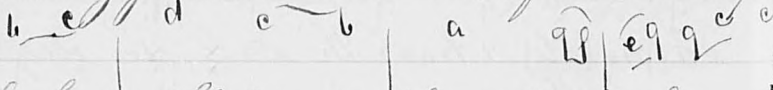

Thy blessing & love thy protection & care

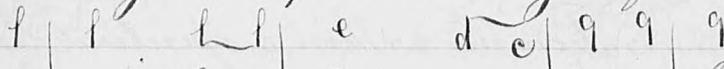

So long as the sun in its orbit doth roll

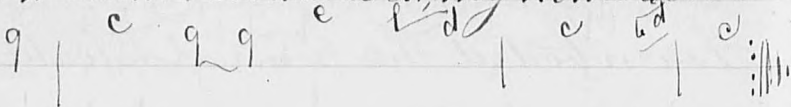

Making glad the whole earth from center to pole

So long will I praise thee O God of love

On earth & in heaven, my home above

I hear a gentle voice, 'tis the voice

of Angels, calling us home

calling us home

Home to the dusty cross

Home in the fear of God

Home to the lowly vail

In the self-denying road

I want more life more zeal

and power I want more strength
in the trying hour.
