

These Gloves were given me by sister  
Mary Hazard January 1<sup>st</sup> 1835.

They were spun by Mary in  
1830. and knit by Annie Gates -  
Benjamin's Mother, the same  
year. Mary was then 18 years old.  
She was 74 when she gave them to  
me, which makes them 56 years  
old when I received them, on this the  
1<sup>st</sup> day of Jan. 1836.
