

A Card of love and notice from the Holy Saviour
to Mary Hazard. January 25th 1843.

I am Jesus the Holy Saviour, even the Son of God. I
am love, peace and comfort; and whosoever shall follow me, I will
lead them o'er foaming billows, and thro' raging and tempestuous
storms. Yea, I will lead them thro' valleys of sorrow and deep
tribulation, beyond which they shall find peace and everlasting
comfort, and dwell with me, their loving Saviour in the celestial
Paradise of Heaven, and sing triumphant songs of joy and
gladness, before the Lord their God, thro' the endless ages of
Eternity.
