

Loo! a Band of holy Angels now
 are marching throughout Zion
 Bringing joy
 unto the faithful

Received March 1st 1865.

Given by sister Semantha Fairbanks for M^{rs} H.

There is in me a living Spring
 Which peace and comfort always bring
 I came from Wisdom's lovely bower
 And number every well spent hour.
 'Twas I whose radiant beauty shone
 And called thee here to stand alone
 To raise thee by my All Wise Hand
 To reign in Heaven's blissful land.
