Respected Friend:

Howard Brooke.

Yours of 7th
at hand with order for Chair No 5. The
Bk. Rooker. We think you would be
better pleased with a No 4 — ^{Ladies Seating Rooker} R. The Bk.
Same Price, as no 5. and we have to
get it ready as we have none with Bar
outsp, that is ready to ship. so you will
have time to ans this if you choose to
Change shipping address, &c.

It will take a long time by freight
to arrive to destination, as freight travels
very slow.
