My Dear Sir

I gladly avail myself
of Mr Gates' visit to present
to you my sincere respects - not
only for yourself, but for the
Society to which you belong.
The hospitable kindness exhibited to
me last fall is remembered with
great pleasure. I trust that
although far advanced in years, your
life may be spared still longer to
witness and rejoice in the prosperity
of your Society and Country.
I beg you to present my respects
to your brethren & sisters & shall
ever remain truly your friend
