No. 3.

anxiety to make a successful business for  
the firm and pay off my own liabilities  
are too much. I am strong, able and willing  
to give any amount of time and labor to the  
management of affairs, but want to see my  
way clear, or at least a ray of light -  
I started 5 years ago with nothing and what  
I now have is the result of those 5 years  
labor. I have always kept my credit good  
and it is good now. - I would rather quit  
today and pay off something than have  
it otherwise.

I consider our property worth in every res-  
pect the valuation I put upon it and that if  
left undisturbed for a few years it will ad-  
-vance one half in value.

Now if you can make any arrangement  
by which I can take up this paper in the  
course of a year and have 3 or 4 years  
to pay it in. I will give a good interest  
for the accommodation and judgments for secur-  
-ity.

Please write me and let me know what you  
think in the matter. To me it seems as if now

was the time to attend to it - enclosed find  
Statement of the affairs of the Company to  
date -

I hope you will consider this letter  
kindly and in the spirit intended not  
thinking I have any motive in the  
matter other than herein expressed for  
I have not and under any circumstan-  
ces would not shrink from my duty  
but these cases bear upon me and  
having so much to see to I want them  
off my mind for the good of the Company  
as well as myself -

I will now submit the following Proposition  
Individually I possess -

A Farm near Horsedale valuation	\$ 3.500
The North Wood Lot. " say	4.000
550 acres in Damascus Township "	6.000
Sawed lumber at Laurel Dale "	9.000
I will give the undivided one half interest in the lands - the 3 lots above mentioned.	\$ 6.750
The lumber at Laurel Dale	9.000
and my entire interest in Leo Lumber & Lops	7.187
now cut at Mills valued at say	\$ 22.937

In all a Valuation at very moderate figures  
of to say Twenty two thousand Three Hundred and  
and thirty seven Dollars for Seventeen Thousand  
and Dollars. Or I will give for the  
Loans of that sum in 3. 4 & 5 years  
Eight per cent Interest with security on  
my entire property

I am now completely out of funds. Money  
will be required constantly in payment  
of men at Windsor and I am at loss  
how to proceed.

Please write me at Windsor in the early  
part of the ensuing week

Very respectfully  
Your friend

Jos Jones

P.S.

In the event of being able to arrange this in-  
debtedness I will as proposed heretofore go on and con-  
duct the affairs of the Co. attending to all financial  
matters with annual (or shorter ~~statements~~ if desired)  
statements not calling on you for funds but  
make the business pay its own way - To sum  
all up I only ask a square deal JD

Friend Levi

I should have returned  
your inquiry sooner had I been at home  
but my time has been taken up at the  
mills getting out the sawed lumber and  
getting in the logs, we have about  
finished both. You have over fifteen  
hundred thousand feet of sawed lum-  
ber now on the River bank at Hawley  
It has taken all the money you have  
advanced to move it and more to  
what shall I do for money to run  
it? I have not done as well as I ex-  
pected to have done from the tone  
of your letter in selling the Bams  
matter, however I have done the  
best I could. The notes I enclose  
and form of receipt I have taken  
will explain themselves Mr. Dickerson  
says the notes will surely be met

**Hemlock, White & Yellow Pine, Oak, Spruce & Hardwood Lumber**  
ALSO, LATH.

Planing and Matching done to Order at Windsor Mills.

HONESDALE, Pa., ..... 187

If they are not I shall enclose  
unless you advise differently, if you  
do not feel like using them yourself  
but your name on them and return  
them to me and I will use them  
in getting your lumber rafted  
as I shall require funds immediately  
for that purpose I shall also buy  
and get a note from Ham for the pin  
sold (Linn) and use it in the same  
way as this rafting is a matter that  
cannot be delayed for a day even it  
must be done on the first flush -  
We have not got the spoke machinery  
to running will have it set up soon  
have bought thirty five thousand new  
spokes since you ~~were~~ <sup>were</sup> here -  
The lowest rates I can get on lumber  
is \$4.00 per <sup>cu</sup> Hope to hear from  
you soon Resp<sup>d</sup> Yours Jos Jones
