Introduction.

Beloved Elders,

Having obt<sup>d</sup> your union, I now proc<sup>d</sup> to write down  
a Commun<sup>n</sup> from t<sup>e</sup> Prop<sup>t</sup> Joel. While writing t<sup>e</sup> commun<sup>n</sup>  
w<sup>th</sup> t<sup>e</sup> Prop<sup>t</sup> Elisha, (Nov 29, 1840) t<sup>e</sup> writer discern<sup>d</sup> a bro<sup>t</sup>  
spt with him. The Prop<sup>t</sup> Elisha said, I h<sup>o</sup> bro<sup>t</sup> one of  
my broth<sup>r</sup>, t<sup>e</sup> belov<sup>d</sup> Pr<sup>t</sup> Joel, as a witness. He is a beloved  
& holy child of Mother. He w<sup>h</sup> a comm<sup>n</sup> to make, w<sup>h</sup> thro<sup>u</sup>  
must rec<sup>d</sup> & write, if there b<sup>e</sup> union, aft<sup>r</sup> mine is ended.

2. The loving & holy Pr<sup>t</sup> Joel h<sup>o</sup> been seen by t<sup>e</sup> writer  
sev<sup>l</sup> times, espec<sup>lly</sup> in our meet<sup>gs</sup>. He app<sup>r</sup> very bright, lively,  
& lov<sup>ly</sup>; & united with us in our exerc<sup>ses</sup> with gr<sup>at</sup> joy & life. He  
w<sup>as</sup> introd<sup>d</sup> by Elder Br<sup>n</sup> John; & y<sup>e</sup>u app<sup>r</sup> with t<sup>e</sup> holy

2. Pr<sup>t</sup> Elisha. He manifest<sup>d</sup> joy & thankfulness to meet with Mother's fful chil<sup>d</sup>, & to behold t<sup>e</sup> bleas<sup>d</sup> work of the new creation on earth.

3. Truly, says t<sup>e</sup> below Pr<sup>t</sup>, these, r in very deed t<sup>e</sup> child<sup>r</sup> of t<sup>e</sup> heavenly King & Queen, who walk bef<sup>t</sup> them. And t<sup>e</sup> holy an- gels r here, meet & rejoice with them, & bles<sup>s</sup> them in t<sup>e</sup> lab<sup>r</sup> more than they r able to sense. This is more other than the gate of heaven upon earth.

4. O, beautiful! to see those lovely branches of t<sup>e</sup> holy vine of life, beading with prec<sup>i</sup> fruits, t<sup>e</sup> heavenly gifts of God! Yeay, & glori<sup>o</sup> to beh<sup>o</sup> most beings so zeal<sup>o</sup> to fol<sup>w</sup> t<sup>e</sup> example of t<sup>e</sup> heavenly spt<sup>s</sup>, in t<sup>e</sup> devo<sup>n</sup> & unity of holy worship! This is what I saw in prophetic vision, while on earth.

## Chapter I.

O ye chil<sup>d</sup> of t<sup>e</sup> new crea<sup>n</sup>! truly t<sup>e</sup> holy Prop<sup>ts</sup> & servants of God, who w<sup>o</sup> fful in t<sup>e</sup> days, saw t<sup>e</sup> corrupt & deprec<sup>d</sup> state of fallen man. They mourned over its deplorable effects, & earnestly so deliv<sup>er</sup>. And thro<sup>g</sup> by t<sup>e</sup> Holy Spt, they saw deliv<sup>er</sup> in a future day, yet it w<sup>o</sup> far off. And it w<sup>o</sup> reveal<sup>d</sup> to them, t<sup>e</sup> many eyes must roll away, bef<sup>t</sup> redemp<sup>n</sup> ed b<sup>e</sup> found.

2. But, during all those long waiting days, tho<sup>g</sup> they rested in hope, & walk in uprightn<sup>e</sup>, yet they ed never find

3

t true heavenly, and, but dwell in t heavens of a bright nature; yet these wd never satisfy t soul; thsfr they earnestly so a better country, a city whose foundations & build<sup>ing</sup> w the immediate w kinship of t Holy Sp<sup>irit</sup> of God, wth<sup>out</sup> t intervention of dark nature.

3. The soul of man first emanat<sup>ed</sup> fr t elem<sup>ents</sup> of t pure wld of life & l<sup>ight</sup>; hence souls can never b satisfied, thro endless ages, unless they return there.

4. Thsfr it is, Oye holy child, t t fleshy spt, t life & power th wks in, & propagates t offspring of, t dk nature wh intervened between t soul & t wld of l<sup>ight</sup>, fr whence t elem<sup>ents</sup> of its highest life & powers descended.

5. For th cause, I say, it is, t t spt & its wks r t most dk<sup>ness</sup> & bind<sup>ing</sup> to t soul of any spt th exists. For all its oper<sup>ations</sup>, as evn reason itself wd show, do contin<sup>ually</sup> increase the mass of th <sup>dark</sup> nature, & render t veil th<sup>icker</sup> & th<sup>icker</sup>, between t soul & its desired home.

6. Yea, evry act of th fleshy nature, geth<sup>er</sup> & attracts something to th mass, fr t original wld of dk<sup>ness</sup>; & thus binds t soul, in stronger & stronger bonds, to t dk wld, by incre<sup>asing</sup> its connex<sup>ion</sup> with dk beings & things, either vis<sup>ible</sup> or invis<sup>ible</sup>; & thus separates it further & further fr t wld of light.

7. Nay, says t pure Pr<sup>ince</sup>, who sees by t Div<sup>ine</sup> Sp<sup>irit</sup>, there is not a single act of t flesh, th does not form an immediate

4  
connex<sup>n</sup> with some oth<sup>r</sup> spt. Nor is there a single indulgence  
of it in t<sup>e</sup> mind, th<sup>e</sup> does not open a corres<sup>ce</sup> with some such spt,  
who is truly fed by t<sup>e</sup> life of th<sup>e</sup> soul; & who, in return, throws a  
part of its own oth<sup>r</sup> life & feel<sup>g<sup>s</sup></sup> upon th<sup>e</sup> soul.

8. In the manner, human beings bear t<sup>e</sup> burdens of devils  
& damn<sup>d</sup> souls. Therf<sup>r</sup> they (wicked spts) strive, with all their  
influence, to make ~~man~~ incre<sup>ve</sup> those spts; for th<sup>e</sup> is no  
avenue by wh<sup>ch</sup> they c<sup>o</sup> enter & rest th<sup>e</sup> spts upon t<sup>e</sup> souls &  
bodies of men [mankind] like this.

9. It is t<sup>e</sup> medium thro<sup>wh</sup> they first cut. For no spt  
c<sup>o</sup> enter t<sup>e</sup> body, nor t<sup>e</sup> organize<sup>n</sup> of t<sup>e</sup> soul, unless it c<sup>o</sup> first find  
an entrance thro<sup>wh</sup> its life. For th<sup>e</sup> life is a nat<sup>l</sup> spt; & all spts  
th<sup>e</sup> r<sup>e</sup> not connect<sup>d</sup> with nat<sup>l</sup> bodies, must first form a con-  
nectiv<sup>e</sup> oper<sup>n</sup> with a spt th<sup>e</sup> is connect<sup>d</sup> with a nat<sup>l</sup> body,  
before they can operate upon it.

10. It w<sup>o</sup> th<sup>e</sup> reason th<sup>e</sup> t<sup>e</sup> fallen spts first introduced  
themselves, thro<sup>wh</sup> t<sup>e</sup> life of t<sup>e</sup> flesh, into man; & there is, & ever  
w<sup>o</sup> be, th<sup>e</sup> first and main door of entrance.

11. Hear ye, O chil<sup>d</sup> of men! (says t<sup>e</sup> Pro<sup>ph</sup>) Do ye not know,  
th<sup>e</sup> there nev<sup>r</sup> w<sup>o</sup> any principle or pow<sup>r</sup> in human nature,  
wh<sup>ch</sup> causes th<sup>e</sup> pride, th<sup>e</sup> avarice, th<sup>e</sup> ambition, th<sup>e</sup> rev<sup>ze</sup>, th<sup>e</sup> envy,  
& th<sup>e</sup> affecta<sup>n</sup> & fawn<sup>d</sup> servility & flattery, until t<sup>e</sup> object is ob-  
tain<sup>d</sup>, as th<sup>e</sup> nature of t<sup>e</sup> flesh, or fleshly spt? Or, if  
disapp<sup>t</sup>, it causes t<sup>e</sup> most dire bitter<sup>n</sup>. Yea, & often,

5

when t<sup>h</sup> obj<sup>t</sup> is attain'd, & t<sup>h</sup> pass<sup>s</sup> gratified, t<sup>h</sup> most bitter envy  
& contentious feel<sup>g</sup>s succeed. And it is never gratified with  
more or less of such like feelings.

12. Do ye not wonder, Chil<sup>dr</sup>n of nature, why these things  
th<sup>at</sup> ye know, & true, are so? The Spt of St<sup>h</sup> saith unto you, It  
is bec<sup>ca</sup> these sper<sup>es</sup>, ye hold correspond<sup>ce</sup> with, & gratify the  
feelings of, fallen angels & damned spts, & r bound to th<sup>er</sup> cur<sup>d</sup>  
state; & they feed upon yr life, wh<sup>ich</sup> is not so full of anguish as  
th<sup>er</sup> own.

13. In these wicked spts r full of those evil pass<sup>s</sup>  
& corrupt propensit<sup>ies</sup>. And of th<sup>er</sup> pride, & lust to gratify  
th<sup>er</sup> own wills, in disob<sup>ed</sup> to th<sup>e</sup> Creat<sup>or</sup>, they w<sup>ere</sup> cast down fr<sup>om</sup>  
t<sup>he</sup> world of St<sup>h</sup>, to t<sup>he</sup> regions of d<sup>ark</sup>ness & etern<sup>al</sup> shades, where they  
r bound in unutter<sup>le</sup> anguish; & r doomed to endure t<sup>he</sup> rag<sup>ing</sup>  
fire of th<sup>er</sup> own pass<sup>s</sup>. But they c<sup>an</sup> gratify them thro<sup>ugh</sup> the  
medium of human beings, & th<sup>us</sup> they find some mitigation of  
th<sup>er</sup> anguish and raging fire.

14. From th<sup>ese</sup> causes arise th<sup>e</sup> desire to tempt beings,  
wh<sup>o</sup> r not so deeply fallen as themselves. When they c<sup>an</sup> influ-  
ence any such being to act in t<sup>he</sup> pass<sup>s</sup> of anger, malice, or  
any evil propensity, it gives them pleas<sup>ure</sup> & releas<sup>em</sup>t; but  
none of th<sup>ese</sup> pass<sup>s</sup> so much as t<sup>he</sup> sper<sup>es</sup> of t<sup>he</sup> lust of the flesh.

15. O ye chil<sup>dr</sup>n of fallen nature! "Why, even if ye solve,  
judge ye not what is right?" (as said t<sup>he</sup> Just & Saviour

6 to t Jews.) Exercise yr rational understand, w<sup>h</sup> t L<sup>d</sup> of true kn<sup>t</sup> hath given u of th<sup>e</sup> p<sup>ro</sup>ph<sup>et</sup>; & ye w<sup>ill</sup> see t<sup>he</sup> corrup<sup>ti</sup>on & corrup<sup>ti</sup>on of t<sup>he</sup> w<sup>or</sup>ks of fleshly lust with t<sup>he</sup> d<sup>ev</sup>il s<sup>pi</sup>rits; because they r<sup>e</sup> w<sup>or</sup>ks of d<sup>ev</sup>il, & shun t<sup>he</sup> L<sup>d</sup>; & also for th<sup>e</sup> raging & deplorable effects. And ye kn<sup>ow</sup> th<sup>at</sup> t<sup>he</sup> more th<sup>e</sup> nat<sup>ure</sup> is gratified, t<sup>he</sup> stronger r<sup>e</sup> its bands. And why? Because th<sup>e</sup> connexion with those raging s<sup>pi</sup>rits, bound in anguish, increase, by every such operation.

16. Th<sup>er</sup>fore th<sup>e</sup> spera<sup>ti</sup>on must cease; & ye must b<sup>e</sup> redeemed fr<sup>om</sup> th<sup>e</sup> nature, or ye can never, through t<sup>he</sup> ages of eternity, reach th<sup>e</sup> w<sup>or</sup>ld of th<sup>e</sup> L<sup>d</sup> & happiness, wh<sup>ich</sup> is t<sup>he</sup> desire implanted in all souls th<sup>at</sup> ever existed. Because, until th<sup>e</sup> w<sup>or</sup>k is effected, ye r<sup>e</sup> bound to those s<sup>pi</sup>rits th<sup>at</sup> cannot go there.

17. The souls of men r<sup>e</sup> in t<sup>he</sup> w<sup>or</sup>ld fallen w<sup>or</sup>ld, aft<sup>er</sup> they leave t<sup>he</sup> terr<sup>est</sup>ial body, as really as they w<sup>ere</sup> bef<sup>ore</sup>; & r<sup>e</sup> bound by t<sup>he</sup> s<sup>pi</sup>rit of t<sup>he</sup> flesh, with all th<sup>e</sup> corrupt propensities raging with increasing fire. And th<sup>e</sup> raging fire is th<sup>e</sup> curse, & increase th<sup>e</sup> torment & anguish, in propor<sup>ti</sup>on to t<sup>he</sup> strength it has gained by indulg<sup>ence</sup>. And there they r<sup>e</sup>, torment<sup>ed</sup> und<sup>er</sup> t<sup>he</sup> bondage of those cursed s<sup>pi</sup>rits wh<sup>ich</sup> they h<sup>ave</sup> obey<sup>ed</sup>; & so must forever rem<sup>ain</sup> unless redeemed fr<sup>om</sup> th<sup>e</sup> nature, & fr<sup>om</sup> t<sup>he</sup> power of those wicked spirits.

18. Th<sup>er</sup>fore, for th<sup>e</sup> cause, t<sup>he</sup> holy s<sup>pi</sup>rits of God must al- ways begin t<sup>he</sup> w<sup>or</sup>k of redemp<sup>ti</sup>on at t<sup>he</sup> same door thro<sup>ugh</sup> wh<sup>ich</sup> t<sup>he</sup> evil s<sup>pi</sup>rits first ent<sup>er</sup>; & must w<sup>or</sup>k thro<sup>ugh</sup> t<sup>he</sup> same root,

whom is the seat of the influence of those sp<sup>ts</sup>; or they  
never to supplant, and the resurrec<sup>n</sup> of man to the heavenly  
state be effected; saith the beloved Proph<sup>t</sup>, who knoweth  
by the light of God, and by ages and ages of experience  
which he hath witnessed.

## Chap. II.

O ye <sup>holy</sup> chil<sup>ren</sup> of the new & sp<sup>irit</sup>l crea<sup>n</sup>, of whom an entrance hath  
been made by yr heavenly Par<sup>ts</sup>, thro' the veil of the fleshy  
nature, wh<sup>ic</sup>h' been increased between the nat<sup>l</sup> & heavenly w<sup>or</sup>ld  
of thousands of yrs, th<sup>at</sup> the soft pure w<sup>or</sup>ld will shine forth  
unto you, & show u its glorious riches of yr inheritance!  
Your blessed Par<sup>ts</sup> h<sup>ave</sup> opened to u the cover<sup>ing</sup> of the holy angels &  
justif<sup>ic</sup> sp<sup>ts</sup> of God. Yea, they h<sup>ave</sup> offer<sup>d</sup> unto u the union,  
as your everlasting helpers and kindred.

2. When yr minds r<sup>e</sup> exercised upon purity & holiness;  
when ye wlk in obedience to yr holy faith, and do as u are  
t<sup>o</sup>, ye do feed & please yr heavenly kind<sup>red</sup>; & in return,  
they feed u with the heavenly food, & nourish u with the  
life. This ye m<sup>ay</sup> know as truth, if ye observe yr good &  
pleas<sup>ur</sup> feel<sup>ings</sup> & sens<sup>es</sup>, wh<sup>ic</sup>h flow in upon u when you  
do these things.

3. Will you? can any of you, very beloved rela<sup>ms</sup>, forget a momentary satisfaction to carnal feelings of the fleshly nat<sup>ure</sup>, ever consent to displease yr heavenly kind, & cut off yr union with them? and thus obey & please the dk<sup>l</sup> sp<sup>irit</sup>s, & thereby bear th<sup>e</sup> accursed burdens?

4. For th<sup>e</sup> you w<sup>ill</sup> surely do, if u<sup>ou</sup> hear kin & yield, in t<sup>he</sup> flesh, to th<sup>e</sup> tempta<sup>tion</sup> in t<sup>he</sup> flesh. And t<sup>he</sup> union & corres<sup>pondence</sup> thus form<sup>ed</sup>, c<sup>an</sup> never b<sup>e</sup> dissolved, either in th<sup>e</sup> w<sup>orld</sup>, or in th<sup>e</sup> wk<sup>h</sup> is to come, except by com<sup>ing</sup> to t<sup>he</sup> Lt <sup>of</sup> God, bef<sup>ore</sup> his app<sup>ointed</sup> judg<sup>ing</sup> seat.

5. And why? Because evil sp<sup>irit</sup>s & devils c<sup>an</sup> dwell & hold any connexion wh<sup>ere</sup> they h<sup>ave</sup> obtain<sup>ed</sup>, & c<sup>an</sup> act out th<sup>e</sup> own natures any where, except where t<sup>he</sup> Lt <sup>of</sup> God is manifest, & his laws & true order r<sup>e</sup>placed & maintain<sup>ed</sup>. Here they c<sup>an</sup> never dwell; but w<sup>ill</sup> flee fr<sup>om</sup> t<sup>he</sup> soul th<sup>at</sup> comes to th<sup>e</sup> order.

6. Th<sup>is</sup> is th<sup>e</sup> path "t<sup>he</sup> vulture's eye h<sup>as</sup> not seen, & t<sup>he</sup> lion's cub h<sup>as</sup> never trodden; nor hath t<sup>he</sup> fierce lion pass<sup>ed</sup> by it." The devil, th<sup>e</sup> "roar<sup>ing</sup> lion, th<sup>at</sup> goeth ab<sup>ove</sup>, seek<sup>ing</sup> whom he m<sup>ay</sup> devour," w<sup>ill</sup> never pass by th<sup>e</sup> path, but w<sup>ill</sup> flee fr<sup>om</sup> it, and fr<sup>om</sup> all souls th<sup>at</sup> approach & enter into it. For th<sup>is</sup> is com<sup>ing</sup> to t<sup>he</sup> Lt <sup>of</sup> God. Th<sup>ere</sup>fore its entrance is t<sup>he</sup> only door of hope th<sup>at</sup> ev<sup>er</sup> w<sup>ill</sup> or c<sup>an</sup> b<sup>e</sup> open to souls, either in time, or thro<sup>ugh</sup> t<sup>he</sup> ages of eternity.

7. Hear ye th<sup>e</sup> wd <sup>of</sup> t<sup>he</sup> Lt <sup>of</sup> God, all ye chil<sup>dren</sup> of men! Of all t<sup>he</sup> oper<sup>ations</sup> of t<sup>he</sup> life of t<sup>he</sup> flesh, th<sup>at</sup> wh<sup>ich</sup> respects lawful

poster<sup>o</sup>, is t least sinful, & gives t least pleas<sup>re</sup> to, t<sup>9</sup> dk  
& fallen sp<sup>ts</sup>. For there w, in t begin<sup>g</sup>, a law & order of God f  
t guidance of this. And there is still t remains of that  
order, in t reasonable barriers t nature, <sup>in</sup> even its corrupted  
& fallen state, interposes agst excess<sup>ve</sup> indulgence.

8. But there never w, & never c be, any aid of God, f any  
opera<sup>ns</sup> of t fleshly nat<sup>e</sup> or sp<sup>t</sup>, wh does not respect pos-  
terity. Nay! all these, whether in body or mind, & not of  
t crea<sup>n</sup> of God; but & wholly corrupt<sup>ns</sup> of nat<sup>e</sup>, bro<sup>t</sup> in by t  
dk & fallen sp<sup>ts</sup>. And every indulgence of those opera<sup>ns</sup> gra-  
tifies & gives pleasure to some of th sp<sup>ts</sup>. And th<sup>o</sup> pleas<sup>re</sup>  
is increas<sup>d</sup>, and they & feed, when they overcome any soul,  
in propor<sup>n</sup> to t goodness & sp<sup>tl</sup> l<sup>t</sup> & pow<sup>r</sup> such souls h<sup>o</sup> possess.

9. Hence t pow<sup>r</sup> of evil rises, when & where there is an  
increase of good manifest<sup>d</sup>, in propor<sup>n</sup> to it; not only out  
ground bef stated; but also, unless they (t dk sp<sup>ts</sup>) can  
stop t increase of t l<sup>t</sup>, they c abide on t ground where it  
is manifest<sup>d</sup>; th<sup>o</sup>fr th<sup>o</sup> sphere w b narrowed, & their  
opportunities of release<sup>ment</sup> will b diminished.

10. Beware, with t d, of these dk & poisonous sp<sup>ts</sup>,  
all ye whom I h call<sup>d</sup> into my holy wk. If ye hold a  
feeling of join<sup>g</sup> to yr nat<sup>e</sup> relations & kind<sup>d</sup> aft<sup>r</sup> t flesh,  
or even to yr acquaintances in t world who h gone out of body,  
and meditate & feel aft<sup>r</sup> them, th<sup>o</sup> sp<sup>ts</sup> w leap upon you, and  
you will feel just what they have.

11. Yea; and ken ye not th<sup>o</sup> such, while in t body, have  
correspondence with t wicked sp<sup>ts</sup> of t dk world? And, if  
ye hold a relation to, & feel aft<sup>r</sup>, them, those wicked  
sp<sup>ts</sup> w get pow<sup>r</sup> on you, by th<sup>o</sup> means, & instil th<sup>o</sup> cor-  
rupting influence into your souls.

12. And, above all, t' curs<sup>d</sup> sp<sup>ts</sup> of reprobates, if u do not wholly cut them off fr<sup>o</sup> yr feel<sup>g</sup>, w<sup>o</sup> operate upon u, & you will h<sup>o</sup> to bear t' jud<sup>g</sup> of th<sup>e</sup> wick<sup>d</sup> & raging pass<sup>ns</sup>. These r<sup>e</sup> t' reasons, saith t' holy Sp<sup>it</sup> of Light, th<sup>o</sup> ye h<sup>o</sup> many dk, filthy, & unclean feelings, & many sens<sup>es</sup> of evil, when you think u r<sup>e</sup> doing as well as u can.

13. Ther<sup>e</sup>fore, say yr heavenly Par<sup>ts</sup>, to all th<sup>e</sup> chil<sup>dr</sup>, cut off all correspondence & relation, in feelings & sense, with t' children of this wld, whether in t' body or out; except<sup>d</sup> such as you r<sup>e</sup> call<sup>d</sup> to in t' wk & order of God. Then ye w<sup>o</sup> not h<sup>o</sup> to feel t' pass<sup>ns</sup> & burdens of th<sup>e</sup> corrupt & accus<sup>d</sup> sp<sup>ts</sup>. But, where you have a duty to do, you will be protected.

## Chap. III.

---

Hearken now, O ye chil<sup>dr</sup> of t' kdom of Light, and understand t' cause why t' holy saints & Prophets of old, r<sup>e</sup> frequently manifest<sup>d</sup> unto u, in these latter times. They h<sup>o</sup> been witnesses, of many ages, of t' corrupt & fallen state of nature with all its chil<sup>dr</sup>; & h<sup>o</sup> so<sup>o</sup> & groan<sup>d</sup> of deliver<sup>ce</sup>, not only for themselv<sup>s</sup>, but also of all th<sup>e</sup> broth<sup>rs</sup> of t' family of mank<sup>d</sup>; but c<sup>o</sup> never find it in its fuln<sup>s</sup>, until t' manifest<sup>d</sup> of t' heavenly Bridegroom with t' holy Bride, & t' marriage of t' L<sup>o</sup> took place.

11  
2. Altho, when t Father of t new & heavenly crea<sup>n</sup> w first  
manifest<sup>d</sup> on earth, t founda<sup>n</sup> of t new heavens & new earth were  
laid by him, & t sp<sup>l</sup> elem<sup>ts</sup> w bro<sup>t</sup> into ord, so far, th t seeds of  
t heavenly plants & trees of righteous<sup>n</sup>, wh w to bear heavenly  
fruits, w sown; yet they h<sup>d</sup> to bear t cold & chill<sup>d</sup> blasts of a  
sp<sup>l</sup> winter; spoken of by t holy Father of t new crea<sup>n</sup>, when  
he said: "Because iniqu<sup>ty</sup> sh<sup>d</sup> abound, t love of many w wax  
cold." Th<sup>se</sup> those seeds cd<sup>d</sup> never grow, until t sp<sup>l</sup> season  
came, wh w like t returning spring.

3. But, when t full Sun of Righteous<sup>n</sup> began to rise, and  
dispel t chill<sup>d</sup> pow<sup>r</sup> of this sp<sup>l</sup> winter, then those seeds sprang  
up. Then t heavenly Bridegroom & Bride app<sup>r</sup>, & began to  
cultivate th<sup>e</sup> heavenly plants & trees of t garden of life; yea  
"to dress t garden, & to kp it." For unto them it w commit<sup>d</sup>;  
& they prov<sup>d</sup> offul in th<sup>e</sup> trial, & fulfil<sup>d</sup> th<sup>e</sup> trust, & did not  
yield th<sup>e</sup> pow<sup>r</sup> & right of govern<sup>t</sup> to t dark sp<sup>ts</sup>, as did  
the first earthly parents.

4. Then t mar<sup>rs</sup> of t Lamb took pl; & t new heavens & t new  
earth began to b<sup>e</sup> ppl<sup>d</sup>: for then souls w call<sup>d</sup> to t marriage-  
supper of the Lamb. These r truly bless<sup>d</sup>. Then t mighty angels  
sound<sup>d</sup> th<sup>e</sup> trump<sup>ts</sup> thro<sup>u</sup> t heavens, as t voice of mighty thun-  
der, say: "The L<sup>d</sup> G<sup>d</sup> Omnip<sup>t</sup> reign<sup>s</sup>; let us b<sup>e</sup> glad, & rejoice,  
for t marriage of t Lamb is come; and his wife hath  
made herself ready."

5. She h<sup>e</sup> made hers<sup>e</sup> ready, by resist<sup>ing</sup> all temptat<sup>ions</sup>, & proved  
 fful to her trust; & show<sup>ed</sup> herself a Helper Meek of t<sup>e</sup> Father  
 of t<sup>e</sup> new & spl<sup>endid</sup> race. Thus she w<sup>as</sup> array<sup>ed</sup> in robes of righteou<sup>sness</sup>, clean  
 & white, & w<sup>as</sup> join<sup>ed</sup> to t<sup>e</sup> holy Lamb, as t<sup>e</sup> Mother of t<sup>e</sup> new creation.

6. At th<sup>e</sup> joy<sup>ful</sup> sound, many of t<sup>e</sup> saints & Prop<sup>hets</sup> of old, who  
 had been wait<sup>ing</sup> for full redemp<sup>tion</sup>, arose, & came forth to t<sup>e</sup> mess<sup>age</sup>  
 supper. Then the G<sup>host</sup> (t<sup>e</sup> Bridegroom) & t<sup>e</sup> Bride deliv<sup>er</sup> their  
 everlast<sup>ing</sup> call, saying: "Come; & let him th<sup>at</sup> hear, say Come;  
 & whosoever w<sup>ill</sup>, let him come, & partake of t<sup>e</sup> waters of life freely."  
 For th<sup>is</sup> w<sup>as</sup> water, & cause<sup>d</sup> go<sup>od</sup> souls to grow into eter<sup>n</sup>al life.

7. Then t<sup>e</sup> Prop<sup>hets</sup>, as they arose, went forth to declare this  
 joy<sup>ful</sup> news thro<sup>ugh</sup> t<sup>e</sup> w<sup>orld</sup> of spl<sup>endid</sup>, & to t<sup>e</sup> spl<sup>endid</sup> wh<sup>o</sup> w<sup>ere</sup> connect<sup>ed</sup>  
 with t<sup>e</sup> chil<sup>dren</sup> of men, to prep<sup>are</sup> t<sup>e</sup> way, in both Prov<sup>idence</sup> & spl<sup>endid</sup>,  
 of t<sup>e</sup> setting up & increase of t<sup>e</sup> everlast<sup>ing</sup> Kingdom of t<sup>e</sup> heavenly  
 King & Queen. This they, with t<sup>e</sup> holy angels, h<sup>ave</sup> contin<sup>ued</sup>  
 to do, more & more, to this day.

8. The holy Ap<sup>ostles</sup> & saints of t<sup>e</sup> first app<sup>ear</sup>ance of Christ h<sup>ave</sup> been  
 t<sup>e</sup> more immediate ministr<sup>ers</sup>, spl<sup>endid</sup> to t<sup>e</sup> chil<sup>dren</sup> of t<sup>e</sup> heavenly  
 Par<sup>adise</sup>; & h<sup>ave</sup> extend<sup>ed</sup> th<sup>e</sup> w<sup>ork</sup> in both t<sup>e</sup> nat<sup>ure</sup> & spl<sup>endid</sup> w<sup>orld</sup>.

9. These things h<sup>ave</sup> been increas<sup>ed</sup>, both in t<sup>e</sup> w<sup>orld</sup> of spl<sup>endid</sup> & upon  
 earth, in t<sup>e</sup> order of Prov<sup>idence</sup> & grace, to th<sup>e</sup> day, wh<sup>ich</sup> is t<sup>e</sup> third  
 day of t<sup>e</sup> days declar<sup>ed</sup> by the voice of t<sup>e</sup> Angel of t<sup>e</sup> seventh  
 trumpet. This day h<sup>as</sup> commenc<sup>ed</sup>, & is usher<sup>ed</sup> in, by a far  
 gr<sup>eat</sup>er connexion betw<sup>een</sup> t<sup>e</sup> saints in heav<sup>en</sup> & on earth, than w<sup>as</sup> ever  
 before, since t<sup>e</sup> foundation of the w<sup>orld</sup>.

10. For it is to be a far gtr wk, if t gather<sup>ed</sup> tog<sup>o</sup> into one, even in Christ, all things, "both of things in heavn, & of things on earth;" & t raise<sup>d</sup> up, by t son, of all tht Father gave him, & t bring<sup>e</sup> forth, & causing to grow & bear fruit, all t seed tht w sown in his first manifesta<sup>n</sup>; tht he shd lose nothing, as he declared when on earth.

11. It is appt<sup>d</sup> of God, tht t day now commenc<sup>d</sup>, in t progress of its times, sh as far ex<sup>c</sup>, in his manifesta<sup>n</sup>, in power, glory, & extension, in both t ord of Provid<sup>e</sup> & grace, & in both t nat<sup>l</sup> & sp<sup>itl</sup> wd<sup>o</sup>, any preceding wk, in comparison, as tht of t sun exceeds tht of t moon.

12. Th<sup>o</sup> it is, tht t heavenly sp<sup>it</sup>s r manifest<sup>d</sup> far more to us, as wks tog<sup>o</sup> with t ful, in prepar<sup>o</sup> way of tht g<sup>o</sup>t increase, than they h ever been before. And t holy Prop<sup>ts</sup> are now more nearly connected with t heavenly chil<sup>o</sup> on earth, in th<sup>e</sup> wk, than they ever w bef. Hence they r, & w b, more manifested unto you.

13. As t wk of God, in both t nat<sup>l</sup> & sp<sup>itl</sup> states, w b more nearly connected; so t communications & knowledge of tht op<sup>er</sup>ations, in both states, will respectively be more clearly manifested to correspond<sup>o</sup> agents; although there will b times of more darkness & cessation of communica<sup>tion</sup>.

14. The causes of these times of d<sup>k</sup>ness, saith t Prop<sup>t</sup>; r, tht every successive ord, or day, of t wk of God, is bounded

by a dk veil, wh<sup>t</sup> powers of dks interpose, as a barrier, to  
prev<sup>t</sup> the speed of t<sup>e</sup> Lt of God, & the extent of t<sup>e</sup> Div. wk. And  
these dk elem<sup>ts</sup> form a thk & thk veil agst ev successive  
degree & order of t<sup>e</sup> wk of God.

15. Thus, when t<sup>e</sup> Div Lt<sup>n</sup> accomplish<sup>d</sup> t<sup>e</sup> wk of any deg<sup>n</sup>  
day, & t<sup>e</sup> time comes of a further increase, then t<sup>e</sup> Lt<sup>n</sup> power  
of God begins to press agst t<sup>e</sup> veil of elementary dks,  
to gain a further conquest. Hence, all who Rp in union with  
t<sup>e</sup> increas<sup>d</sup> wk of God, f<sup>r</sup> increas<sup>d</sup> opposi<sup>tion</sup> fr<sup>o</sup> t<sup>e</sup> powers of dks;  
bec they, as wkrs tog<sup>th</sup> with God, r<sup>e</sup> press agst t<sup>e</sup> dk veil.  
But t<sup>e</sup> dk veil, a barrier, c<sup>an</sup> be broken up until t<sup>e</sup> lighten<sup>d</sup> &  
thunder<sup>ing</sup> of Div Lt<sup>n</sup> & power operate upon and in it.

16. Thus, in t<sup>e</sup> first oper<sup>ations</sup> of t<sup>e</sup> wk, t<sup>e</sup> spl<sup>endid</sup> communic<sup>ation</sup>  
r<sup>e</sup> more withdrawn fr<sup>o</sup> t<sup>e</sup> former deg of t<sup>e</sup> wk; f<sup>r</sup> these are  
operating beyond, to prep<sup>are</sup> t<sup>e</sup> way of a further opening, or a  
new day of God's progres<sup>sive</sup> wk. But t<sup>e</sup> thunder<sup>ing</sup> of his power  
w<sup>ill</sup> operate, until they break up & dispel t<sup>e</sup> veil of darkness.

17. Then t<sup>e</sup> elem<sup>ts</sup> of t<sup>e</sup> veil, <sup>will</sup> disperse in dk clouds; & these  
clouds w<sup>ill</sup> fall on all who, by unfaithfulness to t<sup>e</sup> Lt of God  
r<sup>e</sup> left with them in t<sup>e</sup> preceding deg maintain congenial  
dks, or dks of t<sup>e</sup> like nature. And, if they do not come  
to t<sup>e</sup> Lt, & thereby h<sup>ave</sup> t<sup>e</sup> dks dispel<sup>d</sup>; these clouds w<sup>ill</sup> rec<sup>e</sup> and  
carry them to th<sup>e</sup> own dk regions. While those who are  
ffal to improve t<sup>e</sup> Lt's gifts th<sup>at</sup> been left with them, w<sup>ill</sup>

15  
be protect<sup>d</sup>, & w rec<sup>e</sup> a grt rew; and w kinote<sup>to</sup> in effecting  
t next & grt<sup>r</sup> degree of t wk of God.

18. For, when t dk barrier is broken up, then w t L<sup>d</sup>  
pour out a grt<sup>r</sup> portion of Div Lt<sup>r</sup> & pow<sup>r</sup> among t subjects  
of t former ord than they h<sup>d</sup> bef<sup>r</sup> rec<sup>d</sup>. And t angels & mi-  
nister<sup>s</sup> opt<sup>s</sup> w return & wk among them, to prep<sup>e</sup> them to b  
instrum<sup>ts</sup> in effect<sup>g</sup> a further conquest over t powers, & in  
t regions, of dkus. And, as it req<sup>s</sup> a grt<sup>r</sup> deg<sup>o</sup> of Lt<sup>r</sup> & pow<sup>r</sup>  
to effect th wk; so t manifest<sup>ion</sup> w b grt<sup>r</sup> than ever before.

19. Then w t L<sup>d</sup> of Lt<sup>r</sup> & Pow<sup>r</sup>, return & reckon with his  
servts, & exact a just acct of them, of t use they h<sup>d</sup> made  
of t talents th he gave them. Then every one's wk<sup>s</sup> will be  
made kn<sup>o</sup>; & in t end they w rec<sup>e</sup> a just reward.

20. It w this oper<sup>ation</sup> th cast down t angels wh<sup>o</sup> kept  
not th<sup>r</sup> first estate; but w unfful to t ord app<sup>o</sup>int<sup>d</sup> them of  
God. Yea, by th they w cast down to t regions of eter<sup>n</sup> dkus.  
For t flowing principles of t dk elem<sup>ts</sup> never w, & never c<sup>o</sup>  
b hinder<sup>d</sup> fr operating upon all beings in a protectionary  
state, th they m<sup>o</sup> h<sup>d</sup> a free choice betw<sup>n</sup> Lt<sup>r</sup> & dkus. Otherwise  
t <sup>free</sup> agency of t creature w<sup>d</sup> be destr<sup>o</sup>d, & he c<sup>o</sup> never act any thing  
of himself; & th<sup>r</sup>fr c<sup>o</sup> rec<sup>e</sup> neither just rewards nor punish-  
ments, with t just and equal God.

21. This manner of wk, in all ages, w alluded to in t  
parable of t Sav<sup>r</sup>; concern<sup>g</sup> a cert<sup>n</sup> nobleman, who went into

a far country, to rec<sup>e</sup> a Kingdom, & return<sup>e</sup>, & reckon with his servants, to whom he h<sup>d</sup> delivered talents, to occupy till he sh<sup>d</sup> return, & employ<sup>e</sup> & reward each one accord<sup>g</sup> to his improvement of his talents.

22. The ord<sup>s</sup> & spera<sup>ns</sup> here made known, saith t<sup>e</sup> Prop<sup>t</sup>, h<sup>ve</sup> been t<sup>e</sup> manner of t<sup>e</sup> wk of t<sup>e</sup> Eter<sup>n</sup> Jar<sup>t</sup> thro<sup>u</sup> all t<sup>e</sup> successive degs & orders thro<sup>u</sup>, fr<sup>o</sup> t<sup>e</sup> time th<sup>t</sup> t<sup>e</sup> Spt of God moved upon the face of t<sup>e</sup> waters of d<sup>nk</sup>, and God said, let there be l<sup>t</sup>, & there w<sup>l</sup> b<sup>e</sup> to t<sup>e</sup> pres<sup>t</sup> day, & ever w<sup>l</sup> so continue, to t<sup>e</sup> end of time.

23. Thro<sup>u</sup>, if these causes, whenever, for a time, those spt<sup>d</sup> spera<sup>ns</sup> cease, & there is a season of more d<sup>nk</sup>, these spera<sup>ns</sup>, by wh<sup>o</sup> t<sup>e</sup> d<sup>nk</sup> w<sup>l</sup> b<sup>e</sup> dispel<sup>d</sup>, will b<sup>e</sup> revised, & Div<sup>n</sup> l<sup>t</sup> Kulg<sup>s</sup> & pass, w<sup>l</sup> increase in g<sup>r</sup> & g<sup>r</sup> degs, until t<sup>e</sup> end of t<sup>e</sup> days of t<sup>e</sup> seventh trumpet, wh<sup>o</sup> is now sound<sup>g</sup>, sh<sup>l</sup> b<sup>e</sup> finish<sup>d</sup>. Then "the mystery of God w<sup>l</sup> b<sup>e</sup> finish<sup>d</sup>," as He h<sup>d</sup> declared by all his servants the Prop<sup>h</sup>ets."

## Chap. IV.

---

There is nothing th<sup>t</sup> ever took pl<sup>ce</sup> in heavn, or on earth, st<sup>h</sup> t<sup>e</sup> beloved Prop<sup>t</sup>, wh<sup>o</sup> caused such g<sup>r</sup> joy among t<sup>e</sup> heavenly hosts as to behold t<sup>e</sup> wk of full redemp<sup>ti</sup> among t<sup>e</sup> fallen race of man, & to see t<sup>e</sup> increas<sup>g</sup> growth of t<sup>e</sup> vine of X<sup>t</sup>, t<sup>e</sup> plant of a g<sup>r</sup> people.

14  
2. For the cause, saith t' Prop<sup>t</sup>, I rejoice th' I am permit<sup>d</sup>,  
by our heavenly Par<sup>t</sup>, to make myself kin<sup>d</sup> to t' holy Lead of the  
chosn of God upon earth, & to all t' chil<sup>d</sup> of t' holy Islavane,  
as a witn<sup>ess</sup> of t' pres<sup>ent</sup> wk of God, & a wkr together with them, and  
with t' heavenly Par<sup>t</sup>, holy sp<sup>irit</sup>s & Prop<sup>ts</sup>, in t' declar<sup>ation</sup> & fulfillm<sup>ent</sup>  
of th' gr<sup>eat</sup> & glorious wk of wh<sup>ich</sup> t' holy Sp<sup>irit</sup> spake by me, when  
I w<sup>as</sup> on earth, saying:

3. "Blow yet trumpet in Lion, & sound an alarm in my holy  
mount;" let all t' inhabit<sup>ants</sup> of t' land tremble. For t' day of  
t' L<sup>ord</sup> cometh; if it is nigh at hand; a day of darkness & gloominess;  
a day of clouds & th<sup>ick</sup> darkness; as t' morn<sup>ing</sup> spread upon t' mount,  
a gr<sup>eat</sup> sp<sup>irit</sup>, & a strong; there hath not been ever t' like. A  
fire devoureth bef<sup>ore</sup> them, & behind them a flame burneth. The  
land is cast g<sup>arden</sup> of Eden bef<sup>ore</sup> them; behind, a desolate wilderness;  
yea, & nothing shall escape them." (Joel, ii. 1-3.)

4. The things foretold by that Prop<sup>ts</sup>, began to be fulfill<sup>d</sup>,  
in th<sup>is</sup> true & ultimate mean<sup>ing</sup>, abt t' time of t' first sounding  
of t' seventh trumpet; altho they w<sup>ere</sup> typically fulfill<sup>d</sup>, in part,  
by t' judgm<sup>ent</sup> th<sup>at</sup> fell upon t' Jews of old, of th<sup>is</sup> disord<sup>er</sup>; by  
wh<sup>ich</sup> t' first Jewish temple & state w<sup>ere</sup> destr<sup>oyed</sup> by t' Chaldeans.  
And more especi<sup>ally</sup> by t' rais<sup>ing</sup> up of a gr<sup>eat</sup> sp<sup>irit</sup>, (the Romans)  
wh<sup>o</sup> spread thro<sup>ugh</sup> t' earth in t' morn<sup>ing</sup> of t' day, after t' day of darkness  
and judgm<sup>ent</sup>, wh<sup>ich</sup> fell upon t' anc<sup>ient</sup> covenant sp<sup>irit</sup> of God.

5. A gr<sup>eat</sup> & strong sp<sup>irit</sup>, th<sup>at</sup> h<sup>ad</sup> been rais<sup>ed</sup> up, such as there

9. And to t Christians w more particularly applied  
th part of t proph<sup>cy</sup> wh declares, th, when they fall upon  
t sword they sh not b wound; for it did but increase  
their sp<sup>iritu</sup>al life.\*

10. This w t ord & powr in wh they stood, while t Scattered  
his voice bef them as his army. But at length they ceased to  
hear t voice of t Ld, & took th<sup>o</sup> own wisd to guide them, & re-  
fusd to give ear to t alarm blown by t trump<sup>et</sup> of ff<sup>ul</sup>  
witness. Then succed a day of darkness & gloominess, even a  
long day of clouds & thick darkness, of many ages, such as never  
was before.

11. During th time t judgm<sup>ts</sup> of God w poured out upon t  
wld, as they w never bef<sup>ore</sup>. Yea, those who h<sup>ad</sup> gone vict<sup>or</sup>  
wld of apt<sup>s</sup> part<sup>s</sup>, in th<sup>e</sup> state, of all t judgm<sup>ts</sup> & plagues th<sup>at</sup>  
w sent upon t nations & ppl<sup>es</sup> to whom they h<sup>ad</sup> belong<sup>d</sup>. Thus  
they suff<sup>er</sup>d & w justly reward<sup>d</sup> with those on t earth, f<sup>or</sup> wick-  
edness of th<sup>e</sup> people, to whom they w join<sup>d</sup> in th<sup>e</sup> iniquities thro  
all th<sup>e</sup> generations.

12. In th manner is t justice of God execut<sup>d</sup> & made man-  
ifest, in his deal<sup>ings</sup> with nations. It w in th manner, th  
"all t right blood shed upon t earth" shd b reg<sup>ard</sup>d of t gener<sup>ation</sup>  
of t Jews th<sup>at</sup> w in existence when t holy Saviour w on earth;  
bec all who h<sup>ad</sup> ev<sup>er</sup> taken any part in persec<sup>ution</sup> & shedding  
right<sup>e</sup> blood, partook with them in th<sup>e</sup> judgm<sup>ts</sup> & destruction.

\* Persecution w t life of t primitive Christians

13. Behold, then, O ye child<sup>n</sup> of men, saith t<sup>e</sup> Just God, my justice and goodness. In the manner h<sup>e</sup> I ever dealt, & w<sup>ill</sup> for ever deal, thro' all ages. Those who h<sup>e</sup> sin<sup>d</sup> tog<sup>e</sup>, & r<sup>e</sup> bound to t<sup>e</sup> iniq<sup>ty</sup> of thers, sh<sup>all</sup> suffer tog<sup>e</sup>, whether they r<sup>e</sup> in t<sup>e</sup> natl<sup>l</sup> wld, or r<sup>e</sup> gone into t<sup>e</sup> wld of spirits.

14. When I dispense favours to a p<sup>o</sup>ple, those of t<sup>e</sup> p<sup>o</sup>ple who r<sup>e</sup> out of t<sup>e</sup> body rejoice with them. And, when t<sup>e</sup> iniq<sup>ty</sup> of a nation r<sup>e</sup> come to t<sup>e</sup> full, & I send judgm<sup>ts</sup> & plagues upon them, all those who h<sup>e</sup> help<sup>d</sup>, fill up t<sup>e</sup> meas<sup>re</sup> of th<sup>e</sup> sins, & h<sup>e</sup> not re- pent, so as to break t<sup>e</sup> bands by wh<sup>ich</sup> they r<sup>e</sup> bound, sh<sup>all</sup> drink of t<sup>e</sup> cup of my indignat<sup>ion</sup> with them, & partake of all th<sup>e</sup> plagues.

15. Yea, there is no alm, or shadow of death, th<sup>at</sup> sh<sup>all</sup> hide them; but my hand sh<sup>all</sup> find them whereev<sup>er</sup> they r<sup>e</sup>, & bring them forth; & they sh<sup>all</sup> behold my judgm<sup>ts</sup> upon th<sup>e</sup> p<sup>o</sup>ple, and justly suffer with them.

16. In the manner it is, th<sup>at</sup> t<sup>e</sup> iniq<sup>ty</sup> of t<sup>e</sup> parents r<sup>e</sup> vi- sited upon t<sup>e</sup> chil<sup>d</sup>, & t<sup>e</sup> iniq<sup>ty</sup> of t<sup>e</sup> chil<sup>d</sup> upon t<sup>e</sup> parents, of many gener<sup>at</sup>ions: bec<sup>ause</sup> they r<sup>e</sup> bound tog<sup>e</sup> in t<sup>e</sup> same sins, and h<sup>e</sup> either set t<sup>e</sup> example, or foll<sup>w</sup> it. Th<sup>er</sup>fore every one suff<sup>ers</sup> justly of his own sins, tho' they suffer tog<sup>e</sup>, except they repent. And those in t<sup>e</sup> wld of sp<sup>irit</sup>s feel t<sup>e</sup> judgm<sup>ts</sup>, and suff<sup>er</sup> far more severely th<sup>an</sup> do those upon earth.

17. But, when any consid<sup>er</sup> t<sup>e</sup> iniq<sup>ty</sup> th<sup>at</sup> they behold, & repent, & do w<sup>orks</sup> of righteous<sup>ness</sup>; such break th<sup>e</sup> bands:

21  
They sh not suffer with the pple; yet they sh feel of the  
pple to whom they h belong; & w b interces<sup>o</sup> of them, tho them-  
selves may h gone into eternity.

18. Thus consider th, ye nations & pples, saith t Ld, th,  
t more just & upright souls there, & sh been among any pple,  
t more intercessors there, & and t more w mercy b extended to  
them as a pple. And t more cruel & unjust souls there h  
been, t more w judgments fall upon them; and all sh partake  
of t punishments accordy as they h partaken of th sins, either  
in body or mind. This w what w shown to my brother, t just  
Proph<sup>t</sup> Ezekeil, who is present as a witness to t truth, &  
who assists me in this communication.

19. This grt wk of God, in executing judg<sup>ts</sup> upon t fallen  
race, of their wickedness, especially of th cruelty, injustice,  
& shed<sup>d</sup> innocent blood, w going on among them wherever  
they w, both on earth & in t wld of sps, thro all t changes  
wh preced<sup>d</sup> t sound of t seventh trumpet.

## Chap. V.

---

When t mighty Angel began to sound t seventh trumpet,  
t seeds wh had been sown by t martyrs & witnesses of  
truth, and by all those who h suffered in t cause of virtue,

& t. rights of man, undr t. tyranny & oppres<sup>n</sup> of t. corrupt, earthly principles & powers, began to spring up and grow, & to produce, in t. nat<sup>l</sup> ord of Provid<sup>e</sup>, a ppl<sup>e</sup> who will increase & grow into a gr<sup>t</sup> ppl<sup>e</sup>, who sh, in th<sup>r</sup> times, app<sup>t</sup>d by All seeing Wisd, spread thro<sup>t</sup> the whole earth. They shall not b of any particular nation; but they sh spread & go thro every nation under heaven.

2. In t. prophecy refer<sup>d</sup> to, it w<sup>s</sup> of t. ppl<sup>e</sup>: "There hath never been t. like; neither sh there b after it, unto t. yrs of many gener<sup>ns</sup>." This allud<sup>d</sup> firstly to t. ppl<sup>e</sup> th<sup>t</sup> h<sup>ad</sup> been spokn of, whose pow<sup>r</sup> cead beft<sup>r</sup> all ages. But, after the yrs of many gener<sup>ns</sup>, t. ppl<sup>e</sup> th<sup>t</sup> began to b rais<sup>d</sup> up at t. sound<sup>g</sup> of t. last year's trumpet, & not like any th<sup>t</sup> w<sup>as</sup> before, either in t. nat<sup>l</sup> or sp<sup>irit</sup>l order; neither sh there ever b t. like. But they sh incre<sup>ase</sup> & grow, both in t. nat<sup>l</sup> & sp<sup>irit</sup>l wd; & sh continue to wk, in both t. ord of Provid<sup>e</sup> & grace, until t. Ld sh h<sup>ave</sup> accomplish<sup>d</sup> his whole wk to the fallen race.

3. In t. ord of Provid<sup>e</sup>, these ppl<sup>e</sup>, wherever they rise up, make war upon all t. corrupt instit<sup>ns</sup> of t. heath and false prop<sup>ty</sup>; & upon all tyranny & oppres<sup>n</sup>; all slavery & cruelty; all bondage of t. consciences of souls; & contend for equal rights w<sup>ith</sup> t. Creci<sup>an</sup> has given to all t. souls that He hath made. They make war upon t. gr<sup>t</sup> & lofty, who app<sup>r</sup> to poor & wk, to build up themselves in riches, pomp, & spl<sup>endor</sup>; & to feed th<sup>e</sup> pride.

4. Ye these executioners of my right<sup>o</sup> judg<sup>ts</sup>, seek to spread upon all t<sup>e</sup> high mountains, & high places of strength & power, of t<sup>e</sup> g<sup>t</sup> & mighty oppres<sup>s</sup>, & unjust rulers of t<sup>e</sup> Kingdom of t<sup>e</sup> beast; and to overthrow them, and make the land, (that is, dominions & power,) which been rich & fertile, to yield luxuriantly to the supple, & to feed the pride, power, & glory. Ye, to make this field like a desolate wilderness. And this, saith t<sup>e</sup> Mighty, Just, & Equal God, they sh<sup>l</sup>, in my times, accomplish this every nation upon the earth.

5. It w<sup>l</sup> t<sup>e</sup> opera<sup>no</sup> of t<sup>e</sup> princip<sup>l</sup> of the ppl<sup>e</sup>, in t<sup>e</sup> ord of my provid<sup>e</sup>, t<sup>e</sup> prep<sup>d</sup> way f<sup>r</sup> t<sup>e</sup> take<sup>o</sup> root & spring up of my holy vine, wh<sup>l</sup> sh<sup>l</sup> yet grow, until its fair boughs shall extend & overshadow all things, in heaven & earth. And t<sup>e</sup> ppl<sup>e</sup> who sh<sup>l</sup> gath<sup>r</sup> under its shadow, & s<sup>h</sup> nourish & fed by its prec<sup>i</sup> fruits, who s<sup>h</sup> t<sup>e</sup> optl operators of my g<sup>t</sup> army, sh<sup>l</sup> follow t<sup>e</sup> provid<sup>e</sup> wh<sup>l</sup> wherever t<sup>e</sup> way is prep<sup>d</sup>, thro<sup>u</sup> out every nation, kindred, tongue, and people.

6. Th<sup>e</sup> g<sup>t</sup> army, f<sup>r</sup> t<sup>e</sup> execution of t<sup>e</sup> right<sup>o</sup> judgments & wk of God, has been increas<sup>d</sup> & growing, f<sup>r</sup> t<sup>e</sup> begin<sup>g</sup> of its rise, far beyond what t<sup>e</sup> eyes of man c<sup>l</sup> see, even to th<sup>e</sup> day. During th<sup>e</sup> time, a vast wk hath been going on, in t<sup>e</sup> world of t<sup>e</sup> opt<sup>s</sup>, unkn<sup>o</sup> to man, prepar<sup>d</sup> to t<sup>e</sup> incr<sup>se</sup> & extens<sup>n</sup> of t<sup>e</sup> real Kingdom of t<sup>e</sup> Two Anointed Ones. For, as yet, it has had (comparatively) but a small growth in t<sup>e</sup> optl wd; as it were, begin<sup>g</sup> to spring up, & show its ord<sup>r</sup> & <sup>nature</sup>.

7. The holy messges, & especially t ancient Prop<sup>ts</sup>, after t resurre<sup>n</sup> of t holy Saviour, w employ<sup>d</sup> in t wld of sp<sup>ts</sup>, in declar<sup>n</sup> & foretell<sup>g</sup> t Messi<sup>h</sup> by promise; t<sup>h</sup> he who h<sup>d</sup> been foretold by them, in ancient prophecy, h<sup>d</sup> now come. That he h<sup>d</sup> overcome his advers<sup>es</sup> on earth, & rose triumphant into t heavens; & t<sup>h</sup> he had burst t bands of death, rent t veil of darkness, & had made an open<sup>g</sup> thro<sup>u</sup> which he wd call & gather them under t shadow of his pow<sup>r</sup>, as fast as they w<sup>d</sup> be prep<sup>d</sup> to acknowl<sup>g</sup> him.

8. This w<sup>d</sup> foll<sup>d</sup> by t preach<sup>g</sup> of t holy Apostles & martyrs, who gather<sup>d</sup> all t upright of former Dispens<sup>es</sup>; & also all who w<sup>d</sup> be prep<sup>d</sup> by t promis<sup>es</sup> & wr<sup>it</sup> of t holy angels & Prop<sup>ts</sup>, to enter into t wk & order of that day.

9. But, when t Two Ancient Ones app<sup>ear</sup> in t heavens, & w<sup>d</sup> manifest<sup>ly</sup> as t Parents of t new & sp<sup>it</sup>l creat<sup>ur</sup>; & it w<sup>d</sup> be made kn<sup>ow</sup>n t<sup>h</sup> all souls must rec<sup>e</sup> a new & sp<sup>it</sup>l birth thro<sup>u</sup> t ord<sup>r</sup> of th<sup>e</sup> heavenly Parentage; & also t<sup>h</sup> th<sup>e</sup> new birth w<sup>d</sup> be for all souls, th<sup>e</sup> ever h<sup>d</sup> been or wd<sup>d</sup> be created, if they wd<sup>d</sup> accept of it in t way in wh<sup>ic</sup>h it w<sup>d</sup> be offer<sup>d</sup>; & t<sup>h</sup> no soul cd<sup>d</sup> ever h<sup>ave</sup> an inheritance in t everlasting K<sup>ing</sup>dom of God, who did not rec<sup>e</sup> t fulness of th<sup>e</sup> new birth;—

10. Then th<sup>e</sup> joyf<sup>ul</sup> news w<sup>d</sup> be proclaim<sup>d</sup> thro<sup>u</sup> t heavens, wh<sup>ic</sup>h w<sup>d</sup> be t order of t sp<sup>it</sup>l w<sup>or</sup>ld, where souls h<sup>d</sup> acknowl<sup>edg</sup>d Christ in his first appear<sup>ance</sup>, & w<sup>d</sup> gather<sup>d</sup> under t influence of th<sup>e</sup> shadow of his sp<sup>it</sup>, in th<sup>e</sup> respective deg<sup>rees</sup>, accord<sup>g</sup> to t ord<sup>r</sup> of his

we in th day. This Proclamation w t most joyful sound  
th w ev heard in t heavens; f they h<sup>d</sup> all been waiting  
for, & earnestly desiring, th glorious & ever bless<sup>d</sup> work.

11. From th time to the pres<sup>t</sup> day, t ancient Prop<sup>ts</sup>, with  
many messags of God, h been sent forth to administer the  
promises & hope of t full manifestat<sup>ion</sup> of Xt, both in t meet<sup>ing</sup>  
wld & in t wld of sp<sup>its</sup>, wh<sup>o</sup> & connect<sup>ed</sup> tog<sup>ether</sup>, like soul & body.

12. And, to prep<sup>are</sup> t way, by Provid<sup>ed</sup> & sp<sup>irit</sup>l operat<sup>ions</sup>, f the  
estab<sup>lishment</sup> & incre<sup>ase</sup>, of th everlast<sup>ing</sup> kdom of God, wh sh<sup>all</sup> be pos-  
sessed by t saints of t Most H<sup>igh</sup> God, to whom sh<sup>all</sup> be given t  
dominion & t g<sup>lorious</sup> of t kingdom undr t whole heavn."

13. This kdom w stand forever; f it w f ever b built  
up & incre<sup>ased</sup>, by form<sup>ing</sup> in souls t true "likeness of t Son of man",  
thro t new birth, proceed<sup>ing</sup> in a direct line fr t "mar<sup>riage</sup>  
of t Lamb." Hence it w, th my br<sup>other</sup>, t below<sup>er</sup> Pro<sup>phet</sup> Daniel,  
saw, in t vis<sup>ion</sup> of God, t likeness of t Son of man come  
with t clouds of heavn, th w bro<sup>ther</sup> near to t Arch of Days  
(t first source of all power.) And to th likeness w given  
dominion & glory, & a kdom; th all peple sh<sup>ould</sup> serve &  
obey<sup>him</sup> - a dominion th sh<sup>ould</sup> not pass away; - and a kdom  
th shall nev<sup>er</sup> b destroyed.

14. The same likeness w seen, in t Revel<sup>ation</sup> of St.  
John, upon a bright cloud, with a sharp sickle with  
wh<sup>ich</sup> to harvest t earth. These clouds, saith t Prop<sup>het</sup>,

& neither less nor more than the saints in heavenly ord; in whom is found the true likeness of Christ, by whom all these things are effected.

15. In the present day, the prepar<sup>n</sup> work wh<sup>h</sup> now come to get maturity, in the world of spirits. And the Kingdom is fast incre<sup>ing</sup> in the spirit world. Yea, & the work is drawn nearer to the material world, with far greater strength & power than ever before; through the ministration of the holy messengers. Therefore it is, that the principles & numbers of the great army of God to execute his purposes, & rapidly grow & increase thro' the earth; tho' much of it is unseen by the great & learn'd of the world.

16. Therefore, say ye heavenly Patri<sup>archs</sup>, the time is come, in the day of marvellous strength & power, to blow the trumpet in Zion, and to sound an alarm in the holy Mount<sup>n</sup> of God; that the children of Zion may hear, awake, & be prepared for the great day and wonderful work which is before them; lest it should find them unprepared to do their duty; for which the Lord hath called them.

17. For Zion, joined together on earth, & in the spirit world, is the centre of all the Divine strength & power, thence ever go forth to the fallen race of man.

# Chap. VI.

Behold, saith t Alm<sup>y</sup> Crea<sup>r</sup>, I created t earth, in t be-  
ginning, very good. All its elem<sup>ts</sup> operated in harmony  
and order, & correspond<sup>d</sup> with, & w<sup>re</sup> under t gov<sup>t</sup> of, good sp<sup>ts</sup>:  
th<sup>at</sup> it br<sup>o</sup> forth good fruits. There w<sup>as</sup> no confusion, nor  
poison of sp<sup>ts</sup> death & destruct<sup>n</sup> in it.

2. I created man to be its lord, as an image of my  
own Eternity; & I gave him t dominion over it; and  
gave him my laws of t gov<sup>t</sup> of t nat<sup>l</sup> w<sup>ld</sup>, as t corres-  
pond<sup>t</sup> agent of t sp<sup>ts</sup> w<sup>ld</sup>; & h<sup>e</sup> kept my laws, my  
angels wd h<sup>ave</sup> kept all things in t good ord of my creation.

3. In th<sup>at</sup> st, man wd h<sup>ave</sup> been t first source, on earth, of  
bless<sup>gs</sup> to t nat<sup>l</sup> w<sup>ld</sup>. But, instead of th<sup>at</sup>, he h<sup>as</sup> been t first  
source & medium of its curse. Yea, t earth, & all its elem<sup>ts</sup>,  
have been curs<sup>d</sup> f<sup>or</sup> his sake; f<sup>or</sup> he yield<sup>d</sup>, when tempt<sup>d</sup> by the  
fallen sp<sup>ts</sup> f<sup>or</sup> t shades of eter<sup>n</sup> dark<sup>ness</sup>. He suff<sup>r</sup>d them to  
enter, & gave them t dominion; & they h<sup>ave</sup> corrupt<sup>d</sup> t nat<sup>l</sup>  
w<sup>ld</sup>, and all th<sup>at</sup> belong<sup>s</sup> to it.

4. In t begin<sup>ing</sup>, I institut<sup>d</sup> an ord of gov<sup>t</sup> of man, wh<sup>ich</sup> w<sup>as</sup>  
Patriarchal; th<sup>at</sup> chil<sup>dren</sup> sh<sup>ould</sup> obey & b<sup>e</sup> subj<sup>ect</sup> to th<sup>eir</sup> par<sup>ents</sup>; & t younger  
sh<sup>ould</sup> resp<sup>ect</sup> & rever<sup>ence</sup> t elder<sup>s</sup>; & th<sup>at</sup> t most wise & virtuous  
sh<sup>ould</sup> lead in all things. Th<sup>is</sup> w<sup>as</sup> aft<sup>er</sup> t pattern of my own  
government, in my sp<sup>ts</sup> king<sup>dom</sup>.

5. Man, altho he be <sup>to</sup> flowe his true ord, yet, if a time, he  
 preser a measure of the aid of gov<sup>t</sup>. But, as proud & ambitio-  
 nous sp<sup>ts</sup> were in pow<sup>r</sup>, in t<sup>e</sup> nat<sup>l</sup> world, t<sup>e</sup> club<sup>m</sup> of men de-  
 part further & farther fr<sup>m</sup> any ord of gov<sup>t</sup>, until, at length,  
 t<sup>e</sup> earth w<sup>o</sup> fill<sup>d</sup> with violence, thro<sup>t</sup> t<sup>e</sup> ambi<sup>n</sup>, fraud, & cruelty  
 of its mighty men.

6. Then they estab<sup>d</sup> gov<sup>t</sup> by ambi<sup>n</sup> & violence; & exercis<sup>d</sup>  
 them, not of t<sup>e</sup> good of t<sup>e</sup> govern<sup>t</sup>, (wh<sup>o</sup> w<sup>o</sup> any law of gov<sup>t</sup>), but of  
 t<sup>e</sup> pride, pow<sup>r</sup>, & vain glory of t<sup>e</sup> gr<sup>o</sup> & mighty, who w<sup>o</sup> unwor-  
 thily bo<sup>o</sup>t into government.

7. And thus, saith He who seeth all things, t<sup>e</sup> gov<sup>t</sup> of  
 men ha<sup>l</sup> almost universally been supple<sup>d</sup> by fraud<sup>l</sup> proceedings,  
 by treach<sup>er</sup>, blood, tyranny, rapine, & cruel oppress<sup>o</sup>. They h<sup>o</sup> fill<sup>d</sup>  
 t<sup>e</sup> earth with violence & blood. They h<sup>o</sup> far'd luxuriously to ex-  
 ces. They h<sup>o</sup> decorat<sup>d</sup> th<sup>e</sup> pers<sup>o</sup> & th<sup>e</sup> dwell<sup>o</sup>s with gorgeous  
 splend<sup>r</sup>; while those they gov<sup>d</sup> w<sup>o</sup> pining, yea, even perishing  
 in want, rage, & wretchedness.

8. They h<sup>o</sup> made laws grievous to be borne; & h<sup>o</sup> punished  
 t<sup>e</sup> weak & poor & needy, if they transgres<sup>s</sup> even unjust laws;  
 while themsel<sup>o</sup>s set at defiance all laws, hum<sup>o</sup> & Div.  
 And they h<sup>o</sup> b<sup>o</sup>lt a Babel of pow<sup>r</sup>, by concentrat<sup>d</sup> lust, pride,  
 ambi<sup>n</sup>, & t<sup>e</sup> pow<sup>r</sup> of t<sup>e</sup> sword, with t<sup>e</sup> civ<sup>l</sup> gov<sup>t</sup>, (which, if pro-  
 perly administ<sup>d</sup>, is necessary) & they h<sup>o</sup> also combin<sup>d</sup> with it,  
 t<sup>e</sup> pretend<sup>d</sup> sp<sup>l</sup>l pow<sup>r</sup>, wh<sup>o</sup> by they buy & sell t<sup>e</sup> souls of men.

9. Yea, they h attempt<sup>d</sup> to make t top of th Babel reach to  
 heavn, by claim a Div r<sup>t</sup> to th gov<sup>t</sup>, with all its enormities,  
 as if they wd mock & set at defia<sup>ce</sup> Alm Powr. They have  
 bolt up th mount<sup>ns</sup> & high places of strength & powr thro  
 out to earth. And those high places they h gear<sup>d</sup> fill<sup>d</sup> with  
 t most wkd, t most corpt, debauch<sup>d</sup>, & unjust, & the  
 least deserving characters.

10. To such h been commit<sup>d</sup> th mountains of powr &  
 strength, contrary to my law of gov<sup>t</sup>, th "he th ruleth over  
 men, must b in<sup>d</sup>, ruling in t fear of God;" and th t ink,  
 & those th of & how Me, sh pos<sup>d</sup> all t high places of t earth & heav<sup>n</sup>.

11. Shall such things stand? Sh I not vis<sup>t</sup> of these  
 hevon daring impieties? saith t Ld. Sh not my soul  
 b weng on all those corpt & sacrileg<sup>s</sup> gov<sup>t</sup>, wh h mock<sup>d</sup>  
 my goodn, despis<sup>d</sup> & set Me at no<sup>t</sup>, & usurp<sup>d</sup> t gov<sup>t</sup> of my  
 Spt over t souls th I made, & h grievously afflict<sup>d</sup> & delug<sup>d</sup>  
 t earth with blood; & bound t consciences, & destit<sup>d</sup> t souls  
 & bodies th I thro my provid<sup>e</sup>, h permit<sup>d</sup> them to rule over?

12. Shall I not utterly overturn - overturn them? Shall  
 I not punish them to E uttermost, & all th h<sup>n</sup> a part in  
 ths pride & unjust<sup>e</sup>, whether they r on earth or in t wld  
 of spts? As I live, saith t Just God, this I w do: I w  
 surely rend<sup>e</sup> veng<sup>e</sup> upon veng<sup>e</sup> unto them, accord<sup>g</sup> to ths wkd<sup>e</sup>, and  
 not one of them sh escape. For ye mighty ones shall b mighty.

torment?" But my mercy sh soon pardon t meen, t poor,  
 & t needy, whom ye have despised & oppressed.

13. I w throw down th<sup>r</sup> Babel with violence, wh they h bllt as a  
 tow<sup>r</sup> of strength, & wh they h th<sup>e</sup> to be almost infinite. And it sh  
 prove to them like t Babel of old, (wh w bllt to fortify th<sup>r</sup> first  
 plan of tyrann<sup>l</sup> gov<sup>ts</sup>, aft<sup>r</sup> th<sup>r</sup> destroy<sup>d</sup> t old wld by t flood), a  
 tow<sup>r</sup> of confus<sup>n</sup>, inst<sup>d</sup> of strength, wh, in its pres<sup>en</sup>, sh increase  
 into more & more divis<sup>ns</sup> & rebel<sup>l</sup> confus<sup>n</sup>, until it break<sup>s</sup> &  
 overturns every corrupt gov<sup>t</sup> und<sup>r</sup> heav<sup>n</sup>; not one sh escape;  
 if there is not one th is not corrupt.

## Chap. VII.

---

Behold, t gr<sup>t</sup> army of t Ld sh, in th<sup>e</sup> day, rise up like a  
 flood, & sp<sup>d</sup> forth like t devour<sup>r</sup> locusts. They sh run like  
 mighty men. They shall leap upon t top of all t mountains  
 of t earth; like t noise of a flame th<sup>e</sup> devour<sup>e</sup>th t stubble;  
 so sh they leap. And they sh march every one on his way,  
 & they sh not break th<sup>r</sup> ranks." For no weapon of opposition  
 shall brk or stop th<sup>r</sup> wk; but every one sh wlk in his path,  
 str<sup>g</sup> forw<sup>d</sup> to t obj<sup>t</sup> wh t principles th insp<sup>r</sup> him deter-  
 mine to accomplish.

2. For tho they sh h many branches; yet all sh be

direct<sup>d</sup> to t<sup>e</sup> same year wk. And, if they meet with opposi<sup>n</sup>,<sup>31</sup>  
t<sup>e</sup> forms a barrier to t<sup>e</sup> progress for a time; t<sup>e</sup> zeal w<sup>l</sup> incre<sup>as</sup>  
th<sup>er</sup>by; & they sh<sup>l</sup> rise up again & again; until ev<sup>ry</sup> object  
sh<sup>l</sup> be accomplish<sup>d</sup> of wh<sup>l</sup> I<sup>h</sup> sent them; saith t<sup>e</sup> Lord.

3. See ye not t<sup>e</sup> determin<sup>d</sup> sp<sup>irit</sup> t<sup>e</sup> animates to oper<sup>as</sup> in t<sup>e</sup> many  
branches of t<sup>e</sup> reform<sup>ing</sup> wk wh<sup>l</sup> is go<sup>g</sup> on upon t<sup>e</sup> earth, respect<sup>ing</sup>  
gov<sup>ts</sup>, laws, & relig<sup>io</sup>n views; & against all oppres<sup>s</sup> pow<sup>er</sup>, false  
& corrupt principles & practices of all kinds, both nat<sup>l</sup> & polit<sup>l</sup>?  
also ag<sup>st</sup> excess & abuse of t<sup>e</sup> things of t<sup>e</sup> world?

4. This is because these oper<sup>as</sup> r<sup>e</sup> inspir<sup>d</sup> by my Sp<sup>irit</sup>, in the  
ord<sup>er</sup> of my Provd<sup>ence</sup>, with a zeal wh<sup>l</sup>, tho<sup>ugh</sup> not always accord<sup>g</sup> to  
Rul<sup>g</sup>; yet, in t<sup>e</sup> st<sup>ate</sup> of t<sup>e</sup> world, it is necess<sup>ary</sup>, & sh<sup>l</sup> never cease,  
until all my purposes are fulfill<sup>d</sup>; saith t<sup>e</sup> Lord. For  
my angels of Provd<sup>ence</sup> sh<sup>l</sup> go bef<sup>ore</sup> them, & lead them on through  
ev<sup>ry</sup> peple upon t<sup>e</sup> earth.

5. It sh<sup>l</sup> truly be a day of thunders & gloom<sup>ing</sup>, of clouds &  
thick dews, to all t<sup>e</sup> high & lofty; to all despotism & tyranny,  
yea, to all t<sup>e</sup> nobles & mighty tyrants & oppres<sup>s</sup> of t<sup>e</sup> world.  
But these executioners of t<sup>e</sup> wk sh<sup>l</sup> see in t<sup>e</sup> dews, by t<sup>e</sup>  
flame t<sup>e</sup> goeth bef<sup>ore</sup> them. And in t<sup>e</sup> morning they sh<sup>l</sup> wh<sup>l</sup>;  
ie. wherever t<sup>e</sup> way is open<sup>d</sup> by Div<sup>ine</sup> Providence.

6. And they sh<sup>l</sup> bring tidings of gr<sup>eat</sup> joy to t<sup>e</sup> poor & oppres<sup>s</sup>;  
& sh<sup>l</sup> abolish slavery among men. And they sh<sup>l</sup> execute  
judgments upon all t<sup>e</sup> corrupt instit<sup>utions</sup> of t<sup>e</sup> world, <sup>reason, f</sup> false

prop<sup>ty</sup>, & t whore, thro'out t earth. Nor sh they cease th<sup>r</sup> work, until these instit<sup>ns</sup> & all destroyed. All law, estab<sup>l</sup> religious, & all pow<sup>er</sup> <sup>over</sup> t consciences of men, sh be utterly disannul'd; & they, & all of t beast, t false prop<sup>ty</sup>, and the scarlet-col<sup>d</sup> whore, th<sup>r</sup> sits upon t civil gov<sup>t</sup>, & is suppt<sup>d</sup> by it, & by t pow<sup>er</sup> of t dragon.

4. "Bef<sup>r</sup> th<sup>r</sup> face, t pp<sup>l</sup> sh b much pain'd." For they w first seek to effect th<sup>r</sup> objects thro' t<sup>r</sup> opera<sup>ns</sup> of ra<sup>ti</sup>onal principles. But all th<sup>r</sup> to be effect<sup>d</sup> by these means, w b effected by violence. They w cut off, with t sw<sup>rd</sup>, those corrupt rulers who w not yield. And all who defnd them sh fall.

8. They sh pos<sup>s</sup> themselves of all t high places of strength, & overthrow all t mount<sup>ns</sup> of pow<sup>er</sup>, thro' all nations & peoples. No fortific<sup>ns</sup>, or towers of strength, sh stand bef<sup>r</sup> them. For they sh climb upon their walls; they sh enter into t windows like a thief; i.e. out of sight of all t g<sup>t</sup> & learned of the world. They sh run to & fro thro' t city. And, Why r th<sup>r</sup> th<sup>r</sup> so?

9. It is bec these principles, insp<sup>d</sup> by t Angels of Prov<sup>ce</sup>, sh raise up & insp<sup>r</sup> operators, in th<sup>r</sup> army, in all parts of t nat<sup>l</sup> world: therefore no place sh b secure for them. "And t L<sup>d</sup> sh utter his voice bef<sup>r</sup> his army; & his camp is exceed<sup>g</sup> great," even covering the whole earth.

10. The earth sh quake bef<sup>r</sup> them; & t heavens sh tremble; by wh means all t corrupt powers of t nat<sup>l</sup> world sh be

overthrown. And the heavens (that is, all the relig<sup>s</sup> estab<sup>ts</sup> & false views of heavenly things) sh contin<sup>e</sup> to tremble & shake, until every thing th is false & corrupt shall b shken out of them.

11. Yea, saith t Mighty God, all t dk sp<sup>s</sup> t<sup>h</sup> h estab<sup>ts</sup> the principalities & powers in t nat<sup>l</sup> w<sup>ld</sup>, (t rulers of t dk<sup>ns</sup> of this w<sup>ld</sup>) sh be overthrown, & the high places sh be destro. Their abid<sup>g</sup> places sh no longer b in th w<sup>ld</sup>, but in th own dk regions; altho they w b permit<sup>d</sup> to tempt many of his t<sup>l</sup>al, thro all his probationary state.

12. There sh not be a gov<sup>t</sup>, or institution, left among men, wh sh not b overturn<sup>d</sup>, or revolutioniz<sup>d</sup>, by t army of t Lord: if there is not one in t nat<sup>l</sup> ord of t w<sup>ld</sup>, th is not corrupt<sup>d</sup>; & none shall escape.

13. Produce yr arm<sup>ies</sup>; fortify t heights of yr pow<sup>r</sup>; combine tog, ye tyrants & corrupt powers of t w<sup>ld</sup>; saith t Lord; strive ye to hinder my wk. This sh ye b of my hand: You fall sh b t gr<sup>tr</sup>, & yr judgments t more manifest. For strong is t L<sup>d</sup>, th executeth his w<sup>rd</sup>; & noth<sup>g</sup> th<sup>o</sup> sh fail; but all shall be accomplish<sup>d</sup> in his times.

14. Thus saith t Al<sup>m</sup>: This gr<sup>tr</sup> wk sh go thro the most dk nations of t earth; & they sh all b renovat<sup>d</sup> in his own times. Benighted Ethiopia sh b remembered. Lt sh shine unto her; & her dk chil<sup>rn</sup> sh see it, & rise and wk with it, in th<sup>o</sup> ord; & sh th<sup>o</sup> b b<sup>o</sup> into a st to rec<sup>e</sup> my law & order for them.

15. And thou, poor, dark benighted Africa, thou who hast been oppress'd & despoil'd of thy chil<sup>ren</sup>, of ages, by those who blasphemously profess't relig<sup>ion</sup> of t<sup>he</sup> holy & merciful Son of God;— Thou shalt b<sup>e</sup> in rememb<sup>r</sup> by t<sup>he</sup> Creat<sup>or</sup> of all t<sup>he</sup> earth. Unto thee sh<sup>all</sup> t<sup>he</sup> Spirit sh<sup>all</sup> come. Yea, t<sup>he</sup> Spirit sh<sup>all</sup> rise up, to execute my judgments, & to renovate t<sup>he</sup> world, sh<sup>all</sup> penetrate to thy darkest corners; & sh<sup>all</sup> raise thy chil<sup>ren</sup>, in t<sup>he</sup> times app<sup>ro</sup>p<sup>ri</sup>ate for thee, to t<sup>he</sup> rank of ratio<sup>n</sup>al beings. Then sh<sup>all</sup> they rec<sup>e</sup> & know my laws, according to t<sup>he</sup> odes.

16. Think not, O thou mother of t<sup>he</sup> dark race, t<sup>hat</sup> t<sup>he</sup> cruel oppress<sup>ions</sup>, & dreadful misery, & t<sup>he</sup> horrid & unjust servitude exact<sup>ed</sup> of them, & t<sup>he</sup> terrible torments inflict<sup>ed</sup> upon them, have been unseen by t<sup>he</sup> merciful Father of all. Or t<sup>hat</sup> t<sup>he</sup> blood, cries, & sec<sup>ret</sup> tears, h<sup>ave</sup> been unheard by Him who seeth t<sup>he</sup> sparrow when it falls.

17. Say! for all these things & rememb<sup>r</sup> by Me, saith t<sup>he</sup> Just God. My mercy sh<sup>all</sup> soon pard<sup>on</sup> t<sup>he</sup> poor chil<sup>ren</sup>, while t<sup>he</sup> mighty oppress<sup>ors</sup> sh<sup>all</sup> b<sup>e</sup> punish<sup>ed</sup> with horrid shades & torments unutterable. There is no class of men out earth, who sh<sup>all</sup> so easily find t<sup>he</sup> mercy of God, & a lot in his Kingdom, as t<sup>he</sup> poor, oppress<sup>ed</sup> slave.

18. I w<sup>ill</sup> raise up thy chil<sup>ren</sup>, O thou mother! and they shall rec<sup>e</sup> joy, gladness, & glory, fall t<sup>he</sup> toils, suffer<sup>ings</sup>, & sorrows. I w<sup>ill</sup> make them ministr<sup>e</sup> spts to t<sup>he</sup> brethren, whom they sh<sup>all</sup> yet see

restored to all t' rights of man, on t' earth; and they shall rejoice with them.

19. And all th' cruel & haughty oppress<sup>ors</sup>, sh. yet behold th' poor, oppr<sup>essed</sup> slaves, with beautifl robes, & crowns of glory, rejoice in holy freedom, in my Kingdom; while themselves sh. be doomed to slavery, under drk & cruel spts, th' w<sup>ill</sup> rend them double into th' double, in regions of blk despair; f all the suffer<sup>ing</sup>, sorrow, & tears wh they have caused.

20. Then t' united voices of t' two Prop<sup>ets</sup> sound forth: "We give thee thanks, O just & mercifl Father, th' thou hast judgd thus. Even so, O God Alm<sup>ighty</sup>! say t' holy Angels. For thy mercy & justice magnify I rend glorify thy holy name, bef all beings. It makes t' saints & heavns rejoice; & devils & wicked spts tremble within t' drk regions.

## Chap. VIII.

---

And thou, Asia, the parent of t' human race,\* t' field of my first Div<sup>inity</sup> to man, where my holy Son w first revealed, & <sup>was</sup> reject<sup>ed</sup> by thy chil<sup>dren</sup>. For th' wicked us, thou hast been doom<sup>ed</sup>, f thousands of yrs, to see thy fair fields oversprid with drkness & t' shadow of death; and to see thy chil<sup>dren</sup> debased with mental & moral drkness, to worship dumb idols

\* The first human race originated fr t' ark, which rest<sup>ed</sup> in Asia.

+ Even t' semblance of X<sup>rist</sup> w reject<sup>ed</sup> for nearly all t' regions of Asia.

& impostors; & to see them oppress'd by tyrants of all kinds, and by the more enlighten'd neighbors.

2. Thou shalt be rememb'd by thy Cree. The times of thy visitation draw near; yea, they <sup>are</sup> already begun. Though it w<sup>ill</sup> req<sup>uire</sup> violence & blood to effect it; & tho' to thine eyes it m<sup>ay</sup> app<sup>ear</sup> unjust; yet all thy instit<sup>utions</sup> to bind & mental powers of man, & darken t<sup>he</sup> mind, must be broken & destroy'd for thy chil<sup>dren</sup>.)

(Thou shalt w<sup>alk</sup> sh<sup>alt</sup> go thro' every nation in all thy regions.

3. I will stretch out my hand agst<sup>st</sup> the haughty & great nation of thy Land, even China, & w<sup>ill</sup> execute sore judgments upon her, by Fire, & by many destructive sper<sup>as</sup> of t<sup>he</sup> elements. Her sacrilegious pride sh<sup>all</sup> be laid low. Many enemies sh<sup>all</sup> rise up agst<sup>st</sup> her. Her power sh<sup>all</sup> be broken & scatter'd; & her empire sh<sup>all</sup> be divid'd. And all her dark & idolatrous instit<sup>utions</sup>, wh<sup>ich</sup>, of ages & ages, h<sup>ave</sup> bound many millions of t<sup>he</sup> human race in chains of gross moral & mental darkness, sh<sup>all</sup> be destroy'd; and the binding power & influence sh<sup>all</sup> utterly cease for t<sup>he</sup> earth.

4. And thus sh<sup>all</sup> a w<sup>ork</sup> of reformation surely be effect<sup>ed</sup> in due time, by my Provid<sup>ence</sup>, thro'out all t<sup>he</sup> Land, by t<sup>he</sup> great ppl<sup>e</sup> th<sup>at</sup> I h<sup>ave</sup> rais'd up. Then sh<sup>all</sup> thy chil<sup>dren</sup> thro' all thy borders, rec<sup>ognize</sup> & know t<sup>he</sup> Law th<sup>at</sup> I w<sup>ill</sup> give them, adapted to their genius and state.

5. O Judah! thou who hast mourn'd bec<sup>ause</sup> of t<sup>he</sup> de-

plorable state of thy chil<sup>n</sup> of ages & ages. Think not th<sup>t</sup> they suffer, oppress, & evermore afflict chil<sup>n</sup> & forgot of th<sup>e</sup> Creat<sup>r</sup>. Nay; for, tho' a full end h<sup>as</sup> been made of th<sup>e</sup> nations th<sup>at</sup> scatt<sup>er</sup> & destroy them; yet a full end of thy chil<sup>n</sup> hath not been made; but a remnant is saved. The cup of the suffer<sup>ing</sup> of thy race is almost filled. Their days of resur<sup>rection</sup> sh<sup>all</sup> come. Yea, even now, th<sup>e</sup> times of th<sup>e</sup> visitation are beginning.

6. I w<sup>ill</sup> search & lead, thro' my provid<sup>ence</sup>, & raise them up where they h<sup>ave</sup> been scattered, & return th<sup>e</sup> captivity. I w<sup>ill</sup> pour out upon them my Spir<sup>it</sup> & th<sup>e</sup> sp<sup>irit</sup> of grace & supplica<sup>tion</sup>. They sh<sup>all</sup> mourn & repent of all th<sup>e</sup> iniq<sup>uities</sup>. They sh<sup>all</sup> look on him whom they h<sup>ave</sup> pierced, & confess him as th<sup>e</sup> Lord.

7. Then sh<sup>all</sup> they re<sup>ceive</sup> joy of th<sup>e</sup> sorrow; & honor, of their long, long ages of th<sup>e</sup> oppress<sup>ions</sup> & sufferings. I w<sup>ill</sup> give them my laws, adapted to them as a peculiar people; wh<sup>en</sup> if they keep, they shall be bles<sup>ed</sup> by my Provid<sup>ence</sup>.

8. And th<sup>e</sup> Gospel of th<sup>e</sup> second app<sup>earance</sup> of th<sup>e</sup> Lo<sup>d</sup>, sh<sup>all</sup> come unto them, & take root, & become glorious. And th<sup>e</sup> Holy Son sh<sup>all</sup> be glorified in his saints, in his second app<sup>earance</sup>; & where his followers were first persecuted: — there shall they be greatly honored, in the last days.

## Chap. IX.

### Concerning Europe, the Land of Japheth.

---

Thus saith t Lord: Thy child, Japheth, shall possess and dwell, or shall possess & dwell, in all t tents of thy brethren, as w foretold by thy father. This shall take place, & w be fulfilled, either literally, or in a moral sense, as rules, and first in power & influence through t whole world.

2. And t holy Mother of t new creation descended from thee. And t full setting up of my everlasting Kingdom began among thy children, who shall possess & dwell in all t tents & tabernacles of t heavenly glory, & w ever given to any of t child<sup>n</sup> of thy brethren. Yea, truly, t marriage of t Lamb took place in t union of t heavenly power wh had been revold thro t line of thy elder brother, Shem,\* and t heavenly glory wh w bro<sup>t</sup> forth thro thy line.

---

\* Shem w not t first-born; but he w preferred bef his brethren, by his father.

The Law of Moses, & t holy Bridegroom, Jesus Xt, came in the line of Shem; and t rights of conscience, and t holy Bride, came in the line of Japheth.

3. And t<sup>h</sup> first dominion in t<sup>h</sup> world, under t<sup>h</sup> holy Saviour, sh<sup>d</sup> henceforth be in t<sup>h</sup> chil.<sup>n</sup> The gr<sup>t</sup>est moral l<sup>t</sup>, & principles of t<sup>h</sup> rights of man, h<sup>d</sup> been given into them. And fr<sup>m</sup> them h<sup>d</sup> sprung t<sup>h</sup> seeds of t<sup>h</sup> gr<sup>t</sup> people wh<sup>o</sup> shall renovate t<sup>h</sup> world.

4. But as they h<sup>d</sup> abused t<sup>h</sup> l<sup>t</sup>, & t<sup>h</sup> privileges t<sup>h</sup> h<sup>d</sup> been given to them thereby, wh<sup>o</sup> they sh<sup>d</sup> h<sup>d</sup> improv<sup>d</sup> for the good of all t<sup>h</sup> brethren; but they h<sup>d</sup> used it to oppress & despoil them; to enrich, aggrandize, & build up themselves in pride & haughtiness; -

5. And because they h<sup>d</sup> been a curse, as far as their wills w<sup>o</sup> concerned, (altho' my hand overruled t<sup>h</sup> wrath and pride, & w<sup>o</sup> yet make it praise me;) and as they h<sup>d</sup> shed more blood, since I gave them my superior l<sup>t</sup>, than all t<sup>h</sup> brethren; so t<sup>h</sup> my holy & just name h<sup>d</sup> been blasphemed thro' their means among the heathen; -

6. Th<sup>o</sup>fr, in my visitation, sh<sup>d</sup> t<sup>h</sup> chil<sup>n</sup>, O Japheth, drink deeper of t<sup>h</sup> cup of my indignat<sup>n</sup> & judgments, than all t<sup>h</sup> brethren. And, as they h<sup>d</sup> shed more blood, so they shall h<sup>d</sup> more blood to drink than all others, bef<sup>r</sup> I h<sup>d</sup> done my w<sup>o</sup>k with them; saith t<sup>h</sup> Alm<sup>t</sup> & Just Spirit.

7. And because, after I had poured out my judgments upon them, for a season, & then gave them space to repent; yet they repented not; but h<sup>d</sup> increased in pride,

haughtiness, & injustice; therefore they sh<sup>d</sup> drink deep, when th<sup>r</sup> times r<sup>e</sup> come, of my judgments; wh<sup>ch</sup> sh<sup>d</sup> fall upon them, thro' all t<sup>e</sup> elements of nature, & by t<sup>e</sup> all powers of destruction, until they sh<sup>d</sup> b<sup>e</sup> bro<sup>t</sup> down. And all th<sup>r</sup> corrupt powers shall fall to the dust.

8. And, when they sh<sup>d</sup> kn<sup>w</sup> th<sup>t</sup> I t<sup>e</sup> Lord h<sup>e</sup> dealt with them, & bro<sup>t</sup> these judgments upon them, of th<sup>r</sup> pride, injustice, & impious iniq<sup>ty</sup>; & they sh<sup>d</sup> b<sup>e</sup> become so humbled, th<sup>t</sup> they w<sup>d</sup> bow & acknowl<sup>d</sup> my pow<sup>r</sup>, & b<sup>e</sup> become will<sup>g</sup> to receive my laws; then w<sup>d</sup> I show mercy unto them. And, as they become prep<sup>d</sup>; I w<sup>d</sup> make th<sup>m</sup> my laws of their governments; which if they keep, they sh<sup>d</sup> b<sup>e</sup> a bless<sup>d</sup> to all th<sup>r</sup> brethren.

9. Concerning England, and t<sup>e</sup> States of Columbia, the Oracles have been deliv<sup>d</sup> by our belov<sup>d</sup> brother, t<sup>e</sup> powerful Prophet Elisha; and will surely come to pass. And all t<sup>e</sup> manifestations of this communic<sup>ion</sup> are particular parts of t<sup>e</sup> same holy Records of Proph<sup>et</sup> Revel<sup>ation</sup>, from which that Prophet read.

10. But t<sup>e</sup> L<sup>etter</sup> with, concerning America: This land was discov<sup>d</sup> by t<sup>e</sup> direction of my Wisdom, to b<sup>e</sup> t<sup>e</sup> central field of my last & greatest w<sup>ork</sup> among men. This land h<sup>e</sup> also been given to t<sup>e</sup> chil<sup>dren</sup> of Joseph<sup>ette</sup>, as t<sup>e</sup> field of their gr<sup>eat</sup>est bless<sup>d</sup>. Here no despotic government sh<sup>d</sup> stand, nor prosper, any more, ruling in any part of

this whole land. And, tho it may be attempted again and again, I will work by my Providence until it shall be overthrown.

11. For I reserve the land, especially Columbia, to display the manner of gov<sup>t</sup> wh sh approach, as near as to people & prepar<sup>d</sup>, to the gov<sup>t</sup> wh I purpose to establish, in due time, throughout all nations, accordg to the order.

---

## Chapter X.

---

Behold! saith the Great God, the Creator of all things: In the begin<sup>g</sup>, I sett my order & law of gov<sup>t</sup> in heaven & earth. But man, by his disobed<sup>e</sup>, sufferd to corrupt & fallen into of the dark world, to enter in, and get the dominion of the nat<sup>l</sup> wld; (of wh he w<sup>t</sup> first guardian in its order,) and he has, by the influence, of thousands of years, set up governments, thro ambition, feind, and treachery; & sustit them by blood, tyranny & oppression.

2. The powers of darkness hope, by these means, to supplant my order of gov<sup>t</sup>, & usurp the dominion of the natural wld, to the end. Thus saith the Alm<sup>y</sup>: As I live, it shall not stand. For I am Lo of heaven and earth; & my power is above all power; & my glory sh

be manifest above all glory, throughout all the regions of my creation; before the end of the probationary state shall come.

3. I will overturn, overturn, & overturn gov<sup>ts</sup> & powers, until he sh come whose right it is to reign (or rule) in every nation & people. And on such I will bestow the power through all my world.

4. Behold, I will raise up gov<sup>ts</sup>, among all people, wh sh not be found in ambition, blood, & tyranny. But the most wise & virtuous sh be appointed to rule. They shall seek peace, and maintain it, at whatever sacrifice.

5. They sh make wise and just laws; & execute them in justice & mercy. Yea, they sh seek the good of the people; & sh be examples of virtue, & of keeping their own laws.

And those who will not do these things, sh be thrown out; & others sh be appointed, thro the spirit<sup>us</sup> of my provid<sup>ce</sup>, and by the most virtuous of the people, who w b faithful to the trust.

6. Then sh the holy vine & plant of my everlasting kingdom, grow & flourish; and in its time, sh spread thro all nations, kindreds, & tongues. And, wherever the order of my nat<sup>l</sup> gov<sup>t</sup> sh be estab<sup>d</sup>, the unrighteous sh have no power to oppress or harm my holy, chosen people; for I will set the bounds that they cannot pass.

7. Nay; the gov<sup>ts</sup> of the world sh have no power over my

chosen people. But the rulers of the Land sh honor Lion with  
 the offerings & best gifts; & sh be thankful & rejoice to  
 receive counsel and oracles fr her wise & insp. child.  
 Then sh be fulfill<sup>d</sup> th wh is written in t book of "Revela-  
 tion": th t Kings (or rulers) of t earth, do bring their glory  
 and honor into the holy city.

8. The principles & elementary operations, wh h been de-  
 clared by this Prophet, (ie. manifestation) have all been  
 more or less operating & increas<sup>d</sup>, fr one deg to another, ever since  
 t last general trumpet began to sound. The wk has been  
~~seen~~ going on in both E nat<sup>l</sup> & spth orders, to this time;  
 with the Prophet.

9. And, in t pres<sup>t</sup> degree, t wk has risen to th state,  
 th t time is come fr t prophecy to be fulfil<sup>d</sup>; wh t Ld spake  
 by me, saying: "And it sh come to pass afterwards," (after  
 these days of skues, & in t last days, wh r t days of the  
 seventh trumpet,) th I w pour out my Spt upon all <sup>flesh</sup>

10. "And yr sons & yr daughters sh prophesy; your  
 old men sh dream dreams; your young men sh see visions,  
 and also upon t ser<sup>vs</sup> & upon t handmaids, in those days, w  
 I pour out of my Spt.

11. "And I w show wonders in t heavens; & in t earth, blood,  
 & fire, & pillars of smoke. The sun sh b turned into skues,  
 & t moon into blood, bef th gr<sup>t</sup> & terrible day of t Ld come." (ii. 28-31)

12. Truly, in t fall & destruction of God's ancient coven<sup>t</sup> people, and in t fall of t primitive Ch<sup>h</sup>, t Sun of Righteous, wh had shone upon them, w turned into d<sup>k</sup>ness; that is, it w darkened to all men. And t moon, representing t Lt of nature, (borrowed light,) w turned into t most bloody principles (of persecutions, wars, & fight<sup>ings</sup>) ever kn<sup>o</sup>; so that all men were governed by them.

13. There w, indeed, a shining of Lt, & t prophecy w, in part, fulfilled in t primitive Church, as declar<sup>d</sup> by t Apostle Peter. Yet still g<sup>r</sup> d<sup>k</sup>ness, & more bloody principles, succeeded and spread thro<sup>u</sup> the earth.

14. But t darkness began to be dispel<sup>d</sup>, when t seventh trumpet commenced sound<sup>s</sup>. And Lt has been ever since increas<sup>d</sup> in t <sup>both</sup> natural & sp<sup>irit</sup>l w<sup>or</sup>ld. And a far g<sup>r</sup> degree thro<sup>u</sup> has now begun than w ever manifested before.

15. Hence t extraordinary outpourings of t Sp<sup>irit</sup> h<sup>ave</sup> been going on among my chosen people ever since t yr of Jubilee of my Lion. Opera<sup>ns</sup> exactly correspond<sup>ed</sup> with t people, and beyond any which have ever taken place since t world began; with the Divine Spirit.

16. These w to restore t true order of my holy people; like t figurative Jubilee among my ancient people; & to establish it with a great increase; to confirm t child<sup>ren</sup> of Lion in th<sup>is</sup> holy faith; & to prep<sup>are</sup> them f<sup>or</sup> th<sup>e</sup> greater & more

wonderful work which is before them; and to which all things will be called; whether they remain in the body, or go into the spiritual world. Tho' they may cease, at times, in a measure; yet they shall revive & increase into far greater degrees.

17. And at times, it is at hand; yea, has already begun, in a measure, the little church, when the same wonderful displays of the Spirit shall go forth into the world, & be adapted to the state, to prevent the way of all that hath been foretold, and especially of the spread of the Gospel. Then shall the children of Zion have as much as they will be able to attend to, if they may gather the harvest, and let nothing be lost.

18. For then shall be fulfilled, in its times, the part of the prophecy: "Put ye in the sickle; for the harvest is ripe." Also, "And it shall come to pass, that whosoever shall call on the name of the Lord, shall be delivered; for in Mount Zion, & in Jerusalem, shall be deliverance." (ii. 32.)

19. The work of salvation shall be so clearly manifested, shining forth from Zion with such power, throughout the earth, that all souls who will seek, & call upon the name of the Lord, shall be saved; as the Lord hath spoken.

20. Then shall be fulfilled the prophetic parable, which the Lord spake by me, saith the Prophet Ezekiel: "Thus saith the Lord God: I will take the highest branch of the highest cedar, and set it. In the mountain of the height of Israel will I"

plant it; and it sh bring forth boughs, and bear fruit, & be a goodly cedar." Yea, this is t cedar of t Gospel of salvation, t highest tree of righteousness upon t earth. It grew fr a tender branch of t grt Tree of Life & Light; t highest and most beautfl tht t Lord God created in his holy Garden.

21. The children of Zion shall crop off, by t Sp<sup>t</sup> of the Lord, fr t young twigs of my Cedar, a tender twig, & plant it, when t way is prep<sup>d</sup>, in t most eminent & highest mountain of t<sup>e</sup> in every nation. And it sh grow, & be exalted above all t trees of t field. And under it, sh dwell all t fowls of every wing, in t shadow of t branches thereof, shall they dwell.

22. Yea, every soul th is prepar<sup>d</sup> to move in t elements of t<sup>e</sup> order, wh is an emanation of the air & breath of heavn, sh dwell in t shadow of its branches, acc<sup>o</sup>dy to t order into which they may be called.

23. "And all t trees of t field sh kn th, t<sup>e</sup> Lord, have bro<sup>t</sup> down t high tree; have exalted the low tree, have dried up t green tree (of fallen nature), and made the dry tree (of my true order) to flourish."

24. For, as t goodly Cedar w among t trees of the forest, in t mountain of Lebanon, t highest, most beautfl, & useful in t building of t typical habitac<sup>o</sup>.

tion of God; so, sh my Cedar be among all t trees 47  
in t mountains of the heights of Israel; t highest,  
most beautiful, & useful in t buildings of the everlasting  
habitations of my glory.

25. And all the trees of my creation shall bow  
before it, and acknowledge and honor the glorious work  
of my hands.

## Chap. XI.

---

Thus say the Eternal Parents: These marvellous operations and displays of Our Spirit, sh not cease; but shall increase, in their times, with grtr & grtr powr, until every element tt We have created, and every principle tt We have planted, in our Heavens & earths, shall show its proper order, and bring forth its fruit, as was intended by Us, when we first set those things in order.

2. All the powers of darkness shall never be able to supplant one single element or principle, nor prevent it from producing its final order and fruit \* (See Note, p. 48.)

## Note \*

The following, say the Prophets sh<sup>d</sup> go in a note, that it may be shown only to such as, from age & ~~an-~~triv<sup>ity</sup> of travel, may, in the wisdom of the Lead, be judged suitable to hear it: -

1. Shall t<sup>e</sup> powers of darkness be permitted to disannul for ever any law & order which We have appointed? Nay, with All Power. 13

2. Behold, We created t<sup>e</sup> heavens and t<sup>e</sup> natural w<sup>o</sup>ld, as a probationary stage between t<sup>e</sup> heavens & t<sup>e</sup> dk w<sup>o</sup>ld; & made man in our own image, as our representative on earth, and gave him our Laws of propagation. But he, by disobedience, violated those laws, and obey<sup>d</sup> t<sup>e</sup> dk and fallen sp<sup>ts</sup>. Thus his nature became corrupted; and by th<sup>e</sup> influence all his offspring have been propagated, in t<sup>e</sup> fire of lust and corruption.

3. The dk sp<sup>ts</sup> sought, by this means, to propagate th<sup>e</sup> own power in man, and to supplant our law & order of propagation, thro all t<sup>e</sup> ages of t<sup>e</sup> natural w<sup>o</sup>ld.

4. As We live, this sh<sup>d</sup> not stand. For behold, many witness<sup>s</sup> sh<sup>d</sup> be rais<sup>d</sup> up, fr time to time, to testify ag<sup>st</sup> the violations of our law & order of nature. And, in the latter ages of the w<sup>o</sup>ld, after our judgments and reforming

work sh<sup>d</sup> sweep thro' t<sup>e</sup> earth, & thinne it of it's who inhabitants; We will, in Our appt<sup>d</sup> day & time, raise up a people, who sh<sup>d</sup> show forth t<sup>e</sup> rd of Justice to We appt<sup>d</sup> in the beginning.

5. These sh<sup>d</sup> keep t<sup>e</sup> law, by never acting in that nature, in any manner, except f<sup>r</sup> t<sup>e</sup> purpose of rais<sup>g</sup> an offspring, in t<sup>e</sup> times & seasons t<sup>e</sup> Our Law, sh<sup>d</sup> appoint. Unto them it sh<sup>d</sup> be reold, t<sup>e</sup> they r<sup>e</sup> in an order inferior to t<sup>e</sup> <sup>th of</sup> new & spiritual creation. And an inheritance in t<sup>e</sup> order sh<sup>d</sup> be placed as an object of hope to them, upon conditions of obedience. This w<sup>l</sup> t<sup>e</sup> state in which We first created man.

6. And all such as keep Our Law, in t<sup>e</sup> respects, sh<sup>d</sup> defeat t<sup>e</sup> powers of d<sup>e</sup>ss, & be an honor to our creation. And, when t<sup>e</sup> times come, they sh<sup>d</sup> be called into Our sp<sup>l</sup>l wk and know. And, if they obey t<sup>e</sup> call, they sh<sup>d</sup> be bless<sup>d</sup> and honored for t<sup>e</sup> obed<sup>e</sup> in t<sup>e</sup> nat<sup>e</sup> order.

7. Yet all t<sup>e</sup> ages of t<sup>e</sup> natural w<sup>l</sup>d must come to an end; & nat<sup>e</sup> offspring sh<sup>d</sup> cease, when all Our Law and orders sh<sup>d</sup> have been fulfill<sup>d</sup>, obeyed, & made honorable, in t<sup>e</sup> natural state. For this does not belong to, & never have any part in, t<sup>e</sup> new creation of God.

## Final Result & Work of Judgment.

3. Before the work of 6 days declared by this revelation are ended, say to Prophets, the Lord, as foretold in the prophecy, will gather all nations into the valley of Jehoshaphat, or Judgment of the Lord; and will plead with them there for his people, whom they have scattered and sold for their own pleasures, and of his land, or heritage, that they have parted among themselves.

4. This land, in the figure, is an allusion to temporal Israel; but, in the substance, it means the upright among all people, whom they have despised, persecuted, & scattered; and also to the knowledge & good gifts, which the Creator had given them, that they might bring forth good fruit.

5. These they have parted among themselves, to answer their own selfish ends; and have wasted them, in rioting, lewdness, and all manners of abominations. And they have despoiled my chosen Israel, as far as was in their power.

6. Therefore, saith the Lord God, I will bring multitudes — multitudes of all people, yea, all nations, into this valley of Final Decision. And I will plead with them there, like as I pleaded with the enemies that came against the good king Jehoshaphat; & I will execute right judgments upon them, even as I did upon those enemies.

7. Their sun sh be darkened, and their stars sh with-  
draw their shining. This sh take place spiritually &  
and literally, among many people, in t day of my visi-  
tation unto them.

8. Then w I deliver all t upright, & honor them;  
like as I did my people in that day. Yea, saith the  
Just and Great Creator, no soul th is ever created in  
my wld, sh escape being brought into this valley of  
Final Decision, and receiving a righteous judgment.

9. Nor shall these sper<sup>us</sup> cease, until Our ever-  
lasting Kingdom is estab<sup>d</sup> in th order and powr, th no ene-  
my shall be able to hurt, or harm, one single being  
that dwells in all Our holy Mountain; say  
the Almighty Parents.

10. And now, say t beloved Prophets, we commit  
this communication, with our love, to the wisdom of the  
holy anointed Lead. And we desire to give our hearty  
thanks to t beloved Elders, f t privilege they hallowed  
us, f making these communications, through the  
appointed agent.

11. Our beloved Mother Lucy says to t writer: The  
beloved Prop<sup>ts</sup> have now read to thee a part of the  
book I gave thee at Waterliet; \* telling thee to re-  
member it; for it was precious.

(\* See Note, p. 52.)

12. I had, in union with all our heavenly Parents, appointed thee as an instrument for the ancient Prophets, to make known such communications as they desired (if thou wilt with humbly in union) as far as there is union in the visible Lead.

13. These manifestations are faithful & true. I, in union with Father Joseph, to the wisdom of the holy Anointing in the Lead.

(Note, page 51.)

The writer (Calvin Green) being at Waterliet, on a visit, an inspired instrument bro't a book, and hung it on his right hand, with a promise, that it should hereafter be read to him; and, soon after, sent word to him, to be sure not to forget that book; for it was precious.
