The Words of Eternal Wisdom.

made known by the Angel of discernment

Monday evening May 2^d

1842

Afternoon, previous to the above date,
we attended meeting with the first
Order at the holy Sanctuary; and the
holy Angel of discernment appeared
in the midst, and with a still small
voice, proclaimed the words of Eternal
Wisdom, through an instrument of
mortality. When the holy Angel had
finished his word, he rose on his
wings, which were as the sun, saying;
"In union with the beloved Anointed
of God, I will visit the second part of

"of this Church to morrow evening,"
 "and whoso cometh with me, the
 "same will reveal themselves at my
 "arrival."

At twenty minutes before seven,
 P.M. the Angel of discernment
 entered the Elders room saying; "I have
 "come hither at the appointed time,
 "and unto you will I reveal the words
 "of Eternal Wisdom; and it is herewith
 "in union with you that there be two
 "witnesses present also."

Two instruments, one from the
 right & one from the left were called
 forth to witness the words of the Angel
 which were as follows

Beloved Anointed, I have come forth
 even from the Throne of Eternal Wisdom
 who hath sent me to reveal her words,
 and to make known her will unto
 you.

Yea thus & thus did Holy Wisdom
 say unto me; go quickly to my valley
 even to the second part of my Church,
 and choose an instrument who know
 the nought concerning what you shall
 speak. Therefore, beloved Anointed,
 (said the Angel of discernment,) fear
 not because of the gift, that I have
 come to reveal through this instrument
 even in the second part of this Church.
 Marvel not, again I say, for this is the
 instrument of my own choosing; &
 Wisdom blesseth the work of my power.
 (Then the Angel spoke to the witnesses

as follows.) Ye, who are recording instruments, bow low your souls, and incline a listening ear unto my words, that ye may record them correctly, For so shall they go forth to the holy Anointed. Unto the beloved Anointed, will I now reveal the will of Eternal Wisdom.

It is the will of Holy & Eternal Wisdom, that there be no more public meeting held at the holy Sanctuary, for one year from this present time. I am an Angel of discernment, & power is given me to search the hearts of the wicked. And truly they have laid many plots against Zion; but I know their evil designs.

Marvel not, beloved Anointed, at my words for what holy Wisdom hath given unto me, will I reveal

wrote you.

Your heavenly Parents, knowing the evil designs of the wicked, have bowed before the throne of Eternal Wisdom, crying incessantly for the protection of their children, in this beautiful Valley. And it is through their intercessions that this gift is granted, of which I now am the holy bearer. — Yes great is the tribulation of your heavenly Parents, who know in what way the filthy, depraved children of this world are laying out to visit you, anxiously waiting for the privilege. —

Therefore, O beloved One, this gift is granted to you by Eternal Wisdom in condescension & great mercy

Ye let her words be understood;
 There shall be no more public
 meeting, for one year at least, and
 longer if it can be brought about;
 for this will defeat the evil doers of
 iniquity; & by no other means can
 their abominations be stayed from
 defiling this holy ground, & bringing
 tribulation upon the faithful.

Words of the Holy Angel of Eternal Truth.

Truth, truth, solemn truth, is that
 which my brother has spoken; I can
 witness to its truth, that it is the feel-
 ing of your Holy Holy Mother, & your
 blessed Mother Ann, that public

meeting should be stoped, for the
space of one year, or longer if it can
be.

So beloved Anointed do see if there
can not be some way to stop it; if
there can be no other way, publish
it in their news papers, for that will
be owned. Write it with your own
hand, or cause it to be written by the
hands of the wicked, and any of
the Editors will put it in their papers,
You may rely on my word. —

Words of the Holy Angel of Love.

Love, love, and peace; love is my
mission, and I witness to the truth
of what has been proclaimed in

your ears; for I was in the hearing of Holy Holy Wisdom when she made known her will.

And your blessed Mother Ann has felt great tribulation about this thing; she does not want that this ground should again be stained by the feet of the wicked, as it has been, seeing it has been so thoroughly cleansed,

And I would that this be made known to the beloved Elders at the first order as soon as to morrow; and as soon as the Ministry come that it be made known to them:

But beloved Elders you know that you can govern such things in their absence. — So may love and peace echo & resound through this lovely Valley.

Words of Father William

I am thankful to witness to the truth of what the three Holy Angels have spoken.

And as said the Angel of Discernment, it was through our intercessions that this gift was granted. Yea I have cried night and day to Holy Wisdom for this. And beloved Elders, we, your heavenly Parents, would be glad to have this public ^{meeting} stopped for as much as one year, and more if it can be; try one year first.

It is very seldom that any get their first conviction by coming to public meeting; there may possibly be sometimes, a circumstance

of some ones getting conviction
in this way, but very seldom.

They must have had some little
convictions before, that lead them
there; they must have come under
a very different sense than people
in general do, in this day.

Now, beloved Elders, they have
Circuses, Muscums, Theatres and
Shows, and they can go there to
amuse themselves, and not come
to make sport of the true worshipers
and worshipers of God, and be
much better for them.

And as this place has been so nice-
ly cleared, we do not want it to
be defiled again by the wicked

If you have to put it in public
print, it will be owned and blessed.
And when the Ministry come, they
will feel full union with this gift
for I know their feelings.

So I should be glad to have all
that the Holy Angels have spoken,
correctly written, that the Ministry
may have a copy of it; and what
I have spoken too.
