March 12th . 43

A roll received
from an Holy Angel March
11th and written by inspiration
the 12th while it was read by
the Angel of light.

Words of the Roll.

And thus
saith Holy Wisdom this roll
contains directions concerning
my Holy appointment and
the choice of my instruments.

First, I shall meet
the Anointed at the ninth
hour of the morning in the
place before made known
unto them. And the rest of
the first family in the lower
part of the meeting house ac-

-cording to the following
order. The Elders I shall meet
at the hour of ten, and the
rest of the first family as follows

All whose years number over
thirty five shall form my first
class and those that number
over twenty five the second
class and all under twenty
five the third class. Secondly
the choice of my instrument
and my solemn charge unto
them. Philura and Emnily
I appoint to administer my
blessing. Rollin, Lucy Ann,
and Prudence to witness
write or speak according as
my Holy Spirit directs.

And this my solemn charge

unto them is that they keep
the solemn fear of God in
every step they take for daily
shall I send my Holy Angel loaded
with my Holy fear and deep
tribulation and pour it into
their souls for in low humiliation
and sufferings do I require them
to walk. And further I do
require that they abstain from
eating of all kinds of animal
food but let their food be
vegetables or milk and it is
my desire that they keep by
themselves and not mingle or
converse with the rest of the
family but let their conver-
sation be mostly with their
Elders. And now Beloved

Annointed it is my desire
that ye have the meeting
house cleaned according to
the directions before given
And further I do require that
ye call the instruments togeth-
-er at the hour of twelve and
give them their solemn charge
and make known my Holy
Orders unto them. I shall
come within thy walls at the
sixth hour on Saturday P. M.
the eighteenth and remain un-
-till the sixth hour of Monday
following A. M.

The Elders are to
watch close the instruments &
daily have conversation with
them and know the state of

their feelings. The instruments
are not to work any on Saturday
but labor in fervent prayer unto
God that they may be enabled
to do his Holy will. And thus
have I finished my Holy direc-
tions, and further than this I
leave to the directions of the
Annointed

This from Holy Mother
Wisdom, brought and communicated
by the Angel of light.

Words of the roll to the Elders
Beloved and Chosen
ones I your Holy Mother will
this day put my blessing upon
thee and thy little ones as said
before. Then fear ye not for I
in wisdom do all things. I have
chosen whome I will to do my
work and speak my word.
Then I say let my instruments
be wise & fear none but their
God who is greater than all
let them be free & simple
wholy given up to do my will in
solemnity, and with a composed
mind. fearing to do any thing
but the will of their God and

their Lead on earth, then
can I freely do my will & bless
my people here that they may
be able to destroy all evil and
flourish and become beautiful
and lovely in my sight. And I
will continue to bless my Zion
with my love and blessing. Now
once more I say unto you that
are chosen to do my will fear
ye your God in every step and
movement, that ye may also
receive my blessing and be
comforted.

Receive ye this
with love from Holy Wisdom
and her little Angel

March 18th. 43

Six O'clock being the hour appointed by Holy Mother to come within our walls & courts at that time I sat meditating upon the great condescension of our Holy & Eternal Mother's visiting us with her blessing and the solemn duty of being prepared & in a situation to meet her while in this labor about fifteen minutes after six as near as I could judge the spirit of Holy Mother appeared before me in a pure bright light to the appearance far brighter than the burning sun in a clear day so quick and powerful was the shock

that the flesh trembled on my mortal frame this to my view was like the flash of very sharp lightning only quicker and more powerful I then made known my view to the Elders and saw nothing more but felt a great degree of her solemn & Holy fear.

A record of Holy Wisdoms visit, blessing gifts &c.

We the instruments were called upon by the Elders to go to the meeting house between the hours of eight & nine in the morning to communicate the blessing of

Holy Wisdom We retired until
the ninth hour then went into
the room where Holy Wisdom
and her Angels had retired.
Then and there was the gift of
Holy Mothers Blessing made
known and how it was to be
communicated. One of the
Holy Angels brought & placed
a large golden vessel before
one of the instruments who were
chosen to administer the gift
of blessing which was done in
the following manner The
vessel was placed upon the
hands of one of the instruments
while the blessing was taken
by another Holy Mother went
before on the outside and when

the instrument put the blessing upon them Holy Mother put her hands upon the blessing and spread it over each one of the Ministry. Before the Blessing was put upon them one of the instruments wrote upon the floor the following words, I am your Holy Mother and have come at this time to put my blessing upon my faithful ones here. After the Ministry had received the blessing Holy Mothers Angel gave a box of seals unto one of the instruments these seals were placed upon the Ministrys foreheads by the chosen instrument The same instrument received a pen and

wrote upon the seals as follows
I have chosen and sealed you
and ye are mine. The Holy
Saviour then placed a gold
lamp at the feet of each one
of the Ministry and said, this
is to guide you in Holy Wisdoms
path. One of the instruments
received from an Holy Angel
a box of comfort for each one to
partake of which was given
unto Elders Esther Mother
said receive of my comfort &
blessing and be forever blest.

Words of the Holy Saviour
Beloved Anointed listen
to the voice of your Holy Saviour
I have come to speak & bear
witness that ye have received

the blessing of your Holy Mother
yea a large portion ye have
received at this time and it is
my desire that ye let it grow &
be as a well or spring of living
water in your souls. Yea Beloved
build up and establish the young
and tender ones of your flock
in my precious gospel which
I planted on earth so many
years ago through great suff-
-ering. And if this ye do I will
receive you in my peaceable
mansion of rest where the scenes
of time will not disturb or
annoy your calm repose. So
my Beloved be comforted and
know that ye are not forgotten
by your Holy Saviour. With

this receive ye my love and
blessing.

The instruments retired
to their rooms at thirty five
minutes past nine -

At ten

they were called to assemble in
the meeting room of the meeting
house where Holy Mother had
appointed to bless the Elders
and members of the first family
All formed in a circle the
instrument as before wrote
for Holy Wisdom these words
upon the floor. And again
have I come to bless my faith-
ful ones in this place. The
instruments went forth and
placed upon the Elders Holy

Mothers Blessing and they
also partook of her comfort
which had been previously
given to the Ministry for that
purpose. The seals were then
placed in their foreheads &
written upon thus I have
chosen & sealed you and ye are
mine. The Holy Saviour
placed at each of the Elders
feet a golden lamp and said
this lamp is to guide you in
Holy Wisdom's path.

Words of Comfort from
Mother Ann to the Elders after
receiving Holy Mothers Blessing
Beloved Elders heark-
-en to my voice for words of
comfort and peace will I speak

unto you at this time Ye
Beloved receive my peace &
be comforted teach my gospel
in plainness and maintain it
in its purity that it may be
handed down to after generations
pure as it was given and if
this ye do you shall not be
forgotten by your Mother but
I will daily come and bring
sweet peace & comfort unto
you so that you shall feel no
lack but have strength to do
my will and that of your.

Heavenly Father. And as ye
have received the Blessing of
your Holy and Eternal Mother
it is my desire that you treasure
it up and let it grow and thrive

in your souls & bring forth
fruit that ye may bless the
rising generation. Mother
then gave unto each of the
Elders her Rod.

Inst. B. C.

Holy Mother gave liberty
for the instruments to receive
the Blessing if in union with
the Lead

Holy Mother thus spake
to the instruments, Children
bow low your spirits yea even
to the dust that ye may be able
to receive my Holy blessing
They received the Blessing and
retired to the dwelling house
at half past ten o'clock.

The instruments returned

to the meeting house at half past
eleven And at twelve the
first class or seignior part of
the first family came to
receive Holy Mothers Blessing
We sing a solemn song then
kneeled in the presence of
Holy Wisdom the Holy Saviour
and all our Heavenly Parents
This class received Holy Mothers
Blessing by being placed upon
them by the instruments attendants
as before by Holy Mother on the
outside of the circle a Holy Angel
and Mother Ann on the inside
The seals were placid in their
fore heads and these words written
upon them I have chosen and
sealed you with Eternal life

4
They also received of Holy
Mothers Comfort.

A few words spoken
by Holy Mother to this class.

As your mortal race is
nearly run and you will soon
leave the shores of time it is my
desire that ye receive my Blessing
and be comforted and know
that ye are not forgotten by your
Holy & Eternal Mother And
as ye have received a large
portion of my Blessing it is my
desire that ye treasure it up in
your souls and add thereto and
bless the middle aged and rising
generation and then ye shall
have sweet peace to comfort
you in your declining years &

when you leave the shores of
time I will receive you into
mansions of eternal rest.

Holy Mothers Angel placed
on the floor two bundles of
staves one for the brethren
the other for the sisters who
were in the decline of life

These said Holy Mother ye
may lean upon in your ad-
vanced age and the name
of these staves are peace.

Inst. R. C.

Mother Ann also spake
to this class desiring them to
bles and help the youth, to
go still walk softly and keep
the true fear of God the rem-
-ainder of the day that ye may

be able to keep the blessing of
your Holy and Eternal Mother
Receive ye my love & retire
Inst. S. A. T.

At half past twelve the second
class or middle aged came for-
ward and received Holy Mothers
Blessing, were sealed, and the
words I have chosen & sealed
you to do my Holy will, were
written thereon They also re-
ceived Holy Mothers comfort

The Holy Saviour
spoke to this class in the following
manner Much depends upon
the middle aged for the safe
going and protection of the
young so be careful my dear
children always to set them a

Godly example treat them
with kindness & show a tender
feeling towards them and by
so doing you will do much
good to them and lay up a
treasure for your own souls &
I will own and bless you in so
doing. Be firm & steadfast in
my Holy way for you will have
to give an account of the use
you make of your privilege
and if you do good & improve
your time and lay a sure found-
-ation for other souls to build
upon ye will be blest yea my
Blessing shall rest on every such
soul and they will grow and
thrive and that blessing which
ye have received from your

Holy Mother will be as a
spring of living water in your
souls And it is my desire that
ye add to it by faithful obedience
and not think because you
have received of her Blessing
that it is all that is required
Nay you must be more faithful
than ever for more will be
required of you

Inst. R. C.

Mother Ann Spake

thus keep the true fear of God
the remaining part of the
day that ye loose not the Bless-
ing of Holy Mother. With this
receive ye my love & return

Inst. L. A. S.

At one O'clock the third
class or youth and children
came to receive Holy Mothers
Blessing. While receiving
the Blessing Holy Wisdom
spoke thus I find in all some
good virtue and I will bless
the good. The seals were placed
upon their foreheads and
written upon as on the other
classes they also partook of
Holy Mothers comfort.

Mother Anns words
to the third class or to the
youth and children

O my little
ones be wise and treasure up
these things, yea be wise &
fear your God; be careful

to keep the Blessing of Holy
Wisdom and be thankful
that ye are so noticed of your
Eternal Parents as to condescend
to put their Blessing upon you
and be thankful for your
privilege in the gospel which
will save you if ye are obedient
to it O my little ones fear your
God and go stile that ye do not
loose the gift of Blessing which
ye have received at this time
Be subject and obedient at all
times and in all things to those
who are set to watch over you

take you with me I save you
from all evil gladly would I
do it But my dear children
