Respected Sir,

I have neither your
money nor expect to
not pay you. I have
moved from Austria
as you see in the heading
of this letter. I have
met some bad luck.

had some sickness in
the family & lost some
money by trusting & co.
I think I have a
good spot now. & I will
send you your due as
soon as possible. As ever
yours in F. H. C.

Dear Sir

would like to raise a small
amount of money by the first
of April perhaps \$5000
to invest in real estate in
this village. I wish to have
three more main roads
put through this village
and they are grading one of
the three at the present time
and the probability is that
the village will have to ex-
pand and if it does real estate
will most likely advance

I own a fraction less than
ten acres at present known
as the Erie Road and

it has been surveyed & mapped
out into some thirty three
lots and I want to purchase
some fifteen hundred to two
thousand dollars worth of
real estate to enable me to
open a road through the
lot and put it into market
I would like to hear from
^{you} as soon as convenient

The old year has,
closed mild and nice
and the new one opened
most splendidly with as
fine a surface of snow
as ever covered the ground
The sking is superb
and the people are using
it in earnest with the
thermometer a few degrees
below freezing point
It has been so extremely

cold for the last two
weeks that every body
seems to enjoy the change

Wishing you and all
of my acquaintances in the
Orkneys a Happy New
Year & Love

I am Sir Truly Yours
