WHY THE GREAT SUCCESS

—OF—

COLTON'S SELECT FLAVORS,

Of the Choicest Fruits and Spices.

Lemon,
Orange,
Nutmeg,
Peach,

Vanilla,
Jamaica Ginger,
Cinnamon,
Clove,

Almond,
Rose,
Celery,
Wintergreen.

The market is full of Adulterated or Cheap Flavoring Extracts, highly Colored, and of less than one-third the Strength of Colton's.

1st. Because those who wish the Best, and those who wish to economize, seek them. They are a great saving in actual cost in Families, Hotels, with Confectioners, Bakers, and all, and you get the best.

2d. They are the True Rich Flavors of the Fruits, no Coloring, Strictly Pure, Delicious, of remarkable strength and economy. Ladies and Families can depend upon them, and will recommend them to many others.

3d. One-Third the Quantity is more than equal to the ordinary Flavoring Extracts, and they cost but little more per bottle. Dealers Treble sales with them; Families make a great saving with them, and use The Best.

4th. Dealers in City and Country, after making them known to their trade, are seldom willing to be without them, and many leading Dealers place them in the front rank, as acknowledged The Best, from the first bill they buy, and more than treble any previous sale in Flavoring Extracts with them the first season.

5th. Thousands of Gross, and hundreds of thousands of Dollars' worth, have been sold to Fine Dealers. They have taken the Prize in the New England Fair, American Institute, New York City, and at every Fair where exhibited in competition, including the Only Prize for "Fruit Flavors," (Colton's Select Flavors of Choice Fruits,) by Judges of Award, at

The Great Centennial Exhibition of 1876.

Every Dealer should try them, who seeks The Best, Choice, Pure, Economical, Delicious, Healthful Flavors for his Trade. Test them carefully in his own home, and then he can recommend them to many others.
