Dear Miss Neale

In regard to our order for three gross Norwoods

the order was placed for this quantity entirely for the reason

that money is so scarce and hard to get. If you prefer that the order should be for the usual quantity of five gross we would suggest that you ship it along and date the invoice one half the amount in sixty days.

Yours truly,

Gentlemen:

For the past two or three months I have been trying through the Physicians' supply houses to obtain Norwood's Tincture Veratrum Veride. Their only reply is that it can not be obtained.

Please let me know if this is true; if not, I would be very glad to receive a four ounce bottle of Norwood's Tincture Veratrum Veride, C.O.D. or any other desirable plan.

Respectfully,
