TRUSTEE OF ESTATE OF  
F. SHAW & BROS.,  
HEMLOCK SOLE LEATHER,  
268 PURCHASE STREET.

Boston, Oct. 16th, 1884.

STENOGRAPHIC LETTER.

Benjamin Gates, Esq.,

Mt. Lebanon, N.Y.

Dear sir:

I received this morning your bill for \$575.  
for bark peeled on "Ox Bow" tract, 1883. I wrote you some-  
time last month at Chatham, N. Y. I got the impression that  
that was your address; I think you telegraphed me at Saratoga  
from there. I enclose the letter that I wrote at that time.  
Since then the Committee of Creditors of F. Shaw & Bros.' es-  
tate have met and have advised the creditors generally to ac-  
cept 30 cents on the dollar, and I think now that the cred-  
itors will probably accept that and give the firm a chance  
to go on in business. I regret very much not seeing you  
while you was in Boston.

Yours truly,

Trustee.

My dear Mr. Brewster, I regret very much not seeing you  
at the end of the season. I think you would have been a  
great help to me in the matter of the birds. I think  
you have not and have advised the creditors generally to  
pay me the balance of the account.

I enclose the report that I wrote at that time.  
I think you telegraphed me at Saratoga  
and that you were at Saratoga, N. Y. I had the impression that  
you had been at Saratoga, N. Y. I write you some-  
times and I received your report of the 11th of July.

Very truly,  
Shaw Prother
