

A ball of love, and Silver plate, given to Amy Reed
by Elder Sister Olive, March 1841 with the following words written
on the out side of the plate. —

Look ye my little one and behold, This beautiful ball of purest love;
Tis purer far than refined gold, Tis from your heavenly father above,
Upon a bright shining silver plate, You'll find this beautiful ball is placed,
Tis purple, yellow, pink, and white, I will ne'er wax cold by day or night.

Receive ye this, my little one, says Elder Sister Olive with my
never ceasing love and blessing, for truly I love you. —
