

Words written by Father James on a Silver Chain that was given to
A. W. by Eldress Ruth from her own treasure Box. June 2^d 1850.

Be comforted dear child with this treasure from me
For I freely hand it forth & give it unto thee
'Tis a pretty Chain of Union with 50 links or more
And in each one you'll find a gem from Mother's store
'Twas my loving Mother Lucy that gave this Chain to me
Filled with a Mother's blessing, & this I give to thee
To comfort & support thee when trouble fills thy soul
And be thy guide to heaven when time shall cease to roll.
