Words from Mother Anne.

Receive this little present as a notice from
me your Mother, & look upon it with joy in
the hours of tribulation & sorrow; knowing that
you have a kind parent in Heaven, who
will ever watch over you with protecting
care, if you are truly faithful.

Be ye of good cheer my little one,
tho' heavy ~~crosses~~ hang
before you, yet faith &
perseverance will
carry you

thro.

Let not my heart
be comforted when
I have sinned
I will
serve.
