My dear Sister Sarah:

I am frightfully sorry to have been so long acknowledging receipt of the little stool. I am very happy to have it and cherish it rather especially. Unfortunately someone other than myself opened it when it came so that the wrappings with the address was destroyed. I kept hoping that a bill would come for it but since I haven't had one I can only enclose a check for an amount which I hope will cover the cost. As I remember it you said the stool was \$3⁵⁰ but I neglected to ask how much in addition the rush seat would be. If the amount of my check is insufficient I would appreciate it if you would let me know. Since I know you only as "Sister Sarah" I am also unable to fill in your full name on the check - which you

may do if it is necessary for the appropriate
endorsement.

Thank you again - and accept my
apologies for my neglectfulness -

Sincerely
Clara Trigg

Gentlemen:-

I herewith enclose a sample of Petersham Binding, the same style of weave as the lot of samples sent me some time ago, but this is made with a different kind of Yarn, as the Manufacturer did not have just the kind of yarn that is in your samples, but could get it very easily, and will guarantee to give you the same quality and style of Binding as the samples sent me for \$2.00 per Gross, put up in 36-Yd, pieces, in any shade wanted, and would be pleased to have your order for 100 Gross as sample order in 3 or 4 different colors, and will let you see what I can do with this stuff. The above price is NET CASH 30 Days, or 1% 10 Days.

The sample I send you is not a fair sample of the goods as it is just a small sample which the Manufacturer made to show the style of weave on the goods, But as I said before, if you will favor me with a sample order, say for 100 Gross, will guarantee the goods to be as good as the samples sent me. Please let me hear from you by return mail, and greatly oblige,

Respectfully yours,

George W. Kavanaugh.

Thank you so
much for the samples. Will you be
good enough to send me enough of each
for a large chair. I am not quite
sure whether I shall use one kind alone
for each chair or whether I shall use
both together as you usually do. In
any event I shall need enough for two
large chairs, I think the seats are
about 26 x 24 inches, perhaps more.
I am so very glad to know that the
fire did not get you. I have been
almost too cowardly to ask, really

preferring to hope that you escaped and
that the newspaper accounts were not quite
correct.

We have been at my old home - The Training
School at Vineland and then Atlantic City.
I had such a nice time at Vineland but can't
say I like the shore. I would have enjoyed the
cold of the Berkshires far more than the glare
on sand and ocean. As we may be away soon
again I am going to ask you to send the tape
to the enclosed address and send bill for same
and postage in the self addressed envelop. My
friend Mrs. Cox will take care of it for me as
she did my last letter. We have lost so much

I've learned to be "prepared" like a Boy Scout.

Dear Friend:

Thank you for your nice letter.

I had an old catalogue here so I was able to see what size the chairs were.

I would like to have two rockers No. 3 which you say are in stock; slat back and no arms. I had rather have them light mahogany, not dark, if you have that in stock, and would like you to use the colors which I am sending herewith, only, please return these samples as I may need them later.

I do not care for the low-backed desk

MRS. SHERMAN V. N. ROCKEFELLER
CLAVERACK, NEW YORK

Oct. 22nd. 1934

Dear Miss Collins:-

Last Friday Mr. Rockefeller and I were at your home and disappointed not to find you in, but you had just gone to a meeting at New Lebanon. We had our friends Mr. and Mrs. Barnum with us, who ordered a No. 6 rocker, and your helper, Lillian promised to have it ready this morning to give them on their way home. We found after we got back here that the rocker would not fit in their car, so dropped you a postal yesterday that they would not call for it but asked you to crate and express it to them. Will you, therefore, send the No. 6 rocker to the following address-

Mr. Grover C. Barnum,

Freeville,

R.D. 18.

N.Y.

Please send this as soon as you can, also, send the bill to me and I will send you check, as Mr. Barnum has left the money with me to pay for it.

I hope you are well and not working too hard. With every good wish, as ever,

Sincerely yours,

Alice R. D. Rockefeller
