### A New Song

I heard a voice as the voice of many waters  
The harpers harping with their harps, And a  
new song they sang, and the theme was purity.

It was Virgin Purity And it broke o'er my  
soul as the deep waters roll, and bro't me to consider  
my day These follow the Lamb whither soever he goeth  
Redeemed from among Men the first fruits unto  
God and the Lamb. Their glory drew me nigh

All my powers did reply O my God I would  
 live like as they  
 Chh Canterbury

Committed I stand before thee my God  
 In answer to pledges I often have made  
 Solemn vows unto thee to be true to the end  
 All I am to thy service and care I commend  
 With thy hand upon me to bless and crown  
 me a subject of grace Thy counsels gather  
 me Thy mercies cover me I'm clothed  
 with thy peace

3 Hear sounds of triumph go up from Israel

They're gaining new victories over their foes

Each true hearted soldier is on, on to battle

Ever ready to move when the war trumpet blows

With gospel armor and spiritual weapons

The sharp two edged sword which is mighty to slay

They go forth to conquer & the conflict is glorious

All Israel is engaged and they will gain the day

The battle field of glory is ever before us

We'll enter and there our services give

No retreating or cowering but in the Lord's battles

We'll fight till we die, that with Christ we may live

The sword of the spirit with joy we are wielding

I will cut, and divide, and sever each tie

I will free the soul from sin's slavish service

And fit it for immortal glory on high

### Restoration

Sing ye Stars that herald day

Sing ye children of the light

Speak the word and teach the way

Bear the standard pure and white

We who humbly do the work

Testify it is of God

And that hidden mercies lurk  
 Neath the cross and chastening rod

Liberty awakes our souls

Simple truth has made us free

Darkness never more controls.

We proclaim the jubilee

Progress brings a rich increase

Father, Mother, kindred Home

Life eternal joy & peace

Restoration now hath come

Hark I hear the Spirit calling

Calling to those who've a listening ear

Wouldst thou inherit the Kingdom of Heaven

More & more I prize you As I journey along

Your sorrow shall be my sorrow Your joys be mine

My hope is within me reviving As I view  
a star brightly shining, Illuminating my

path here below My soul to heaven still guiding

I hail thee I hail thee thou anchor of hope

Thy presence my spirit doth cheer

As I journey along in the strait, narrow way

I've nothing nay nothing to fear

East of Ham

O Lord we'll keep thy statutes

Will walk in thy behests For all thy ways

are righteous and all thy laws are just

Set down the light of Heaven progressive

truth reveal Enlarge our understanding

the chambers of the soul Though error

oft may triumph and for a season reign

Though truth be crushed to earth it is

sure to rise again Rejoice in all thy

sorrows our God will Zion raise She shall

become a glory in all the earth a praise
