Oh Where are Reapers

Oh where are the reapers that garner in

The sheaves of the good from the fields of sin

With sickles of truth must the work be done

And no one may rest till the harvest home

Chorus

Where are the reapers (who will come

And share in the glory of the harvest home

Oh who will help us to garner in

The sheaves of good from the fields of sin

Go out in the byways and search them all

The wheat may be there tho' the weeds are tall

Then search in the highway and pass none by

But gather from all for the home on high

Dear land with strength lift up thy voice

The Kingdom of the earth are bringing

Their treasures to thy gates rejoice

Chorus

Arise and shine in youth immortal

And shall his flock with strife be

Lift up the gates bring forth oblations

One crowned with crown a megal bring

His word a sword to smite the nations

His name the Christ the King of Kings

Chorus

Arise and shine in youth immortal

Ring the bells of heaven there is joy too,

For a soul returning from the wild

See the Father meets him

Out upon the way welcoming

His weary wandering child

Glory glory how the Angels sing

Glory glory how the loud harps ring

For the ransomed army like a mighty host

Pealing forth the anthem of the free

Ring the bells of heaven there is joy today

For the wanderer now is reconciled

Great a soul is rescued from his sinful way

And is born anew a ransomed child

Glory glory how the angels sing

Glory glory how the loud harp is ring

See the ransomed army like a mighty sea

Marching forth the outthrust of the free

Ring the bells of heaven & spread the

Good news today Angels swell the glad

Triumph chant & strain Tell the joyful

tidings bear it far away

For a precious soul is born again

Glory glory how the Angels sing

Glory glory how the loud harps ring

For the ransomed army like a mighty sea

Pealing forth the anthem of the free
