21st O. P. Moore

Esteemed Friend We are very
sorry to say we do not think the corn suitable to ship
altho it appears quite dry. The sweet corn we have hung up in a
warm room so as to dry as quick as possible. Having had some
experience in shipping corn in that manner we should not
think it perfectly safe to send at present. Edward Forbes is
not at home & consequently can not get his opinion on the matter.
